Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

This is a substantial new edition of a successful textbook which continues to have a sensible and 'easy to read' style. Each Chapter has a past/present/future theme with a real strategic approach. Strategic Operations Managment shows operations as combining products and services into a complete offer for the customer. Services are therefore seen as key and are integrated throughout the material in each chapter. Manufacturing, service supply and other key factors are all shown to be in place. In an era where companies are fond of talking about core competences but still struggle to understand their operations, this is an important for academics and practitioners alike. Only when managers understand their operations will they be able to leverage them into any sort of capabilities that will lead to competitive advantage. Online tutor resource materials accompany the book.

This full-color, oversized hardcover art book delves deep into the lore of the tremendously popular competitive first-person shooter Apex Legends. Explore the world of the hit game through the eyes of the lovable robot, Pathfinder, as he chronicles his journey throughout the various environs of the Outlands to interview his fellow Legends—all in the hope of finally locating his mysterious creator. The rich history of Apex Legends is explained by the characters that helped to shape it, as are their unique bonds of competition and camaraderie. This volume chronicles the world of Respawn Entertainment's stunning free-to-play game that has captivated the online gaming scene, attracting over seventy million players and counting. Don't miss your opportunity to own a piece of Apex Legends history!

"The Frog with ASD not only honors those with autism but all who struggle to find success in their own unique way." - Steven Berk, M.D., Dean of the Texas Tech University School of Medicine "Speaking as the father of a child with Autism and the husband of a Special Education teacher, The Frog with ASD is a touching story and hopeful tale. Brandon's adventure in overcoming limitations is a meaningful lesson for us all. Lots of respect for Brandon and for Karin McCay for sharing this life." - Sam Nader, LSU - Asst. Athletic Director. "Brandon's story shows us that positive things can happen when people are willing to embrace the unique talents that come with autism spectrum disorder. The Frog with ASD will definitely be added to my library for parents." - Sherry Sancibrian, Dir. South Plains Autism Network A portion of the proceeds from this book will go to 4 Paws for Ability. They train and place service dogs to be with children and veterans, including Autism assistance dogs. "My dog wasn't a service dog, but he kept me calm. If he was trained like they are now, he could have done a lot more. He was my best friend."- Brandon Buzzank

In Disco Demolition, Dave Hoekstra sets the record straight about the night that epitomized the rock and disco culture clash.

It started with the Storms.The world got too hot too fast. The weather wrecked Hell on man's shiny, pretty civilization. With the heat and wet came bugs, with bugs came new diseases, and man's numbers and sanity dwindled.The survivors reformed governments like petty shadows of the world's old empires. They sought answers and justifications, they sought redemption for what they perceived as man's holy smiting.Welcome to the Arizona Reformed Theocracy, otherwise called The Zona.Here the Church rules with power absolute. The laws are simple, all sin is punished swiftly. Preachers enforce the Church's words like old West lawmen.But what happens when a Preacher refuses to kill? What happens when men of honor take a stand against their rulers?
