Raising a Serial Killer A Father's Search for Answers In July of 1991 the country was shocked by the unfathomable crimes of serial killer Jeffrey Dahmer. But no one was more shocked than his parents. In A Father's Story, the reader is witness to the incremental unraveling of a parent's image of their child, and the "thousand different reactions" that follow. In his attempt to understand the nature of his son's psychosis, Lionel Dahmer methodically scrutinizes every possible contributing factor to his son's madness. His desperation is palpable as he searches for clues in the emotional, psychological, and genetic landscape of his son's life. Riveting and soul-wrenching, this unprecedented memoir is the confession of a father who must "confront the saddest truth a human can know-that his child has somehow crossed the line that separates the human from the monstrous."

The father of serial killer Jeffrey Dahmer describes his shock at hearing the news of his son's crimes, his entry into a world of complete denial, and how, during Jeffrey's trial, he placed himself in his son's shoes. 150,000 first printing.

#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE ' S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama “ guides us straight to the intersection of the most serious questions of identity, class, and race ” (The Washington Post Book World). “ Quite extraordinary. ” —Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother ' s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father ' s life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* “ Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride ' s *The Color of Water* and Gregory Howard Williams ' s *Life on the Color Line* as a tale of living astride America ' s racial categories. ” —Scott Turow “ Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither. ” —The New York Times Book Review “ Obama ' s writing is incisive yet forgiving. This is a book worth savoring. ” —Alex Kotlowitz, author of *There Are No Children Here* “ One of the most powerful books of self-discovery I ' ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel. ” —Charlayne Hunter-Gault, author of *In My Place* “ *Dreams from My Father* is an exquisite,

sensitive study of this wonderful young author ' s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white. ” —Marian Wright Edelman

Shortlisted for the 2009 George Ryga Award. This is the story of an average family that has never been the same . . . since its eldest child was swarmed and killed by her peers on a moonlit night, November 14, 1997 . . . It is the story of what sudden and horrific violence can do to a family, and how a family somehow remains intact in the face of such events. —from the prologue by Lynne Van Luven At the time of their 14-year-old daughter Reena ' s murder, Manjit and Suman Virk had already been let down by both social-services and law-enforcement authorities. They had struggled with the challenges of conflicting cultures and religions and child-rearing ideologies, and with the anguish of allegations of wrongdoing and the tarnished reputations that resulted. Now Manjit speaks for the first time about life before and after the murder of Reena, a tragedy that remains one of the most widely discussed crimes of our time. It is a book about what was and what was not, about his immigration to a new land and his attempts to raise his family in a safe and simple fashion, about the events that forever derailed those efforts.

A must read for every family! My book helps explain the many stages, experiences, loss, strength, overcoming, and moving forward after losing our son to suicide. Through my personal day to day life, I have tried to help myself and others move forward and ease the pain of losing a loved one to suicide. I only hope

## Acces PDF A Fathers Story

after reading this book, you will have a deeper understanding of suicide and the ripple affect it has on survivors. You will find answers to questions and the feelings you are and will be experiencing. I have also tried to explain the lack of medical practice and experts in the phycological field. Everyone knows the word and meaning of suicide, but it's simply just a common word until it happens in your family.

Children and adults will enjoy this touching tale of fatherly love and the fulfillment that a family brings to one's life. Join King Big Bear and his comrades as they try to put an end to the evil acts of the old wizard.

Angels Are For Real is the true and inspiring story of an eight year old boy's encounter with Angels while enduring a rigorous two year battle with Leukemia. Gabriel William Stuart visualized, spoke with, and shared emotional moments of reassurance, strength, and comfort with Angels. His Angels were sent from Heaven according to God's purpose. They delivered a gift of peace to Gabriel, his family, and to all who were a part of his life while coping with cancer. It was Gabriel's Angels that gave his father an authentic belief in the life, the death, and the resurrection of Jesus Christ. It was also his Angels that gave Gabriel the words to a song that was written for his mother, carrying a message of understanding to what will happen "Someday." Oh, someday I know we'll be together forever. Come to me and I know we won't be apart, but someday I know we'll be together forever. Oh come to me from the sky and let our spirits be in harmony. I know we won't be apart, oh come with me and see the moon and stars. Oh come with me into the sky; I know we won't be apart. Oh someday, I know we'll be together forever. - Gabriel Stuart 2004
