Offering a unique approach in the field, this book presents the principles of accounting from a corporate perspective. This provides readers with a real-world understanding of the concepts.

This successful book continues to provide accountants with an understanding of the fundamental concepts necessary to use accounting effectively. The sixth edition offers new discussions on IFRS, including new codification numbers, examples of IFRS financial statements, and additional exercises. A look at more recent frauds such as the Bernie Madoff scandal have been added. Enhanced discussions of ethics and international accounting are presented. The coverage of non-cash items and their impact on decision making has been expanded. In addition, comprehensive case studies and problems help accountants tie the material together.

For colleges and universities around the world, John Wiley & Sons is proud to announce Financial Accounting: IFRS Edition, by Jerry J. Weygandt, Paul D. Kimmel, and Donald E. Kieso, which incorporates International Financial Reporting Standards

(IFRS) into the existing textbook framework. On almost every page, the book addresses every accounting topic from the perspective of IFRS while still highlighting key differences between IFRS and US GAAP. Following the reputation for accuracy, comprehensiveness, and currency, the authors have painstakingly created a book dedicated to assisting students learning accounting topics under the rules of IFRS.

Weygandt's Accounting Principles introduces challenging accounting concepts with examples that are familiar to accountants. The new edition has been updated with the latest IFRS/IASB standards. Additional coverage is included on foreign currency translation and LCM. More discussions focus on risk management as a result of the financial crisis. The examples also emphasize current examples in order to help accountants make the connection to their everyday lives.

In the new sixth edition, readers will be able to clearly see the relevance of accounting in their everyday lives. The authors introduce challenging accounting concepts with examples that are familiar to everyone, which helps build motivation to learn the material. Accounting issues are also placed within the context of marketing, management, IT, and finance.

The reclusive elvenlord Kyratian finds himself caught in the conflict between some of the powerful elvenlords and their rebellious sons and he embarks on a quest to find the Great Portal, his own missing father, and the secret of his origins.

An impossible journey. A spoiled rich kid. It's a recipe for disaster. Hale Firena has everything--looks, money, power, more girls than he knows what to do with. But in one night everything changes, as a bloody coup turns Hale into a penniless refugee on the run for his life. Hale's not cut out for real life--the thought of holding down a real job is almost more horrible than the pirates and bandits chasing him. Is Hale's swagger enough to see him to safety, or has his luck truly run out? Read the story of Hale Firena before he joined the Confectioner's Guild in this Confectioner Chronicles prequel novella.

Enter the world of the Confectioner's Guild, an addictive fantasy mystery series brimming with royal intrigue, pulse-pounding romance, and delectable food magic. Read the series readers are calling: "A delight for the palate and mind. A book that is nearly unquantifiable, it is a murder mystery, an urban fantasy, pure fantasy, a coming of age tale, and something near steampunk in feel." "Phenomenal and captivating..." "A multi-layered delight, with spellbinding scene setting, vivid descriptions and exquisite world-building..." "Masterfully written, this beautiful dangerous world isn't like anything I have read before." "I can honestly say that this series is one of my favourite discoveries of the year!" This boxed set includes the complete Confectioner Chronicle series, over 1,000 pages of reading pleasure!
