Al-Qurʿān, the Guidance for mankind, is a unique translation of the Holy Qur'an in contemporary American English. It includes the Biography of the Prophet Muhammad, peace be upon him, his mission as a Prophet, his ranking as in the human history. Text is paragraphed by theme and theme is written in the margins on each page for easy reference. Its features include - (1) Field Testing the Communication of Divine Message: The unique feature of this translation is its field testing for over 3 1/2 years to improve the communication and understanding of the Divine Message. Translation passages were given to the New Muslim and Non-Muslim high school and college students for reading under the supervision of various Ulema (scholars). After reading, the person was asked to explain as to what he/she understood from the passage. If his/her understanding was the same as is in the Arabic Text of the Holy Qur'an then we concluded that we have been successful in conveying the Divine Message properly. If his/her understanding was different than what the Qur'anic verses were stating, we kept on rewording the translation until those verses were understood properly. It was tremendous patience on part of the participants. May Allah reward them all. (2) Simplicity: In this translation Simple Language and Direct Approach is used for appealing to the common sense of scholars and common people. (3) Understandability: There are no foot notes to refer and no commentary or lengthy explanations to read. All necessary explanations have been incorporated right there in the text with italic type setting to differentiate from the translation of the meanings of Qur'anic Arabic Text. (4) Outline of Pertinent Information: Before the start of each Srah, information relating to its Period of Revelation, Major Issues, Divine Laws and Guidance has been presented as an outline. Then a summary of the preceding events has been tabulated for the reader to understand the histo' rical background to grasp the full meaning of the Divine Message. (5) Reviews, Input and Approvals: This project was started in 1991 and initial draft completed in 1994. Then the Translation was sent to different Ulema (Scholars) in Town and throughout United States for their review and input. After their reviews and input it was sent to Jme Al-Azhar Al-Sharif in Egypt, Ummal Qur in Saudi Arabia and International Islamic University in Pakistan for their review, input and approval. This translation was published after their reviews and approvals.

Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. This Quran translation is available in two editions. This edition (A) uses the word "Allah" to refer to the Creator. Edition (B) uses the word "God". Quran Sura 91. The Sun. ash-Shams. In the name of Allah, the Gracious, the Merciful. 1. By the sun and its radiance. 2. And the moon as it follows it. 3. And the day as it reveals it. 4. And the night as it conceals it. 5. And the sky and He who built it. 6. And the earth and He who spread it. 7. And the soul and He who proportioned it. 8. And inspired it with its wickedness and its righteousness. 9. Successful is he who purifies it. 10. Failing is he who corrupts it. 11. Thamood denied in its pride. 12. When it followed its most wicked. 13. The messenger of Allah said to them, "This is the she-camel of Allah, so let her drink." 14. But they called him a liar, and hamstringed her. So their Lord crushed them for their sin, and leveled it. 15. And He does not fear its sequel. The Quran is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.

The Glorious Qur'an is God's divine book of guidance for all mankind. And The Contemporary Qur'an is an English translation of the Glorious Qur'an written in simple modern English for the reading pleasure of everyone who understands English. This translation is named The Contemporary Qur'an for three main reasons. Firstly because the Qur'an is always relevant at all times, hence it must be read and understood in the context of how its message can be related with and applied to the modern and contemporary setting that we live in today. Secondly because the passages are translated contextually instead of literally to bring out their meaning clearer and more accurately. And finally because wherever applicable, the interpretation takes into account of relevant historical and scientific facts that have only been made available by recent advancements in science and technology. Other than helping Muslims and new converts to gain better understanding of the meaning of God's literal words, The Contemporary Qur'an also strives to address the most fundamental question asked by non-Muslims about the Qur'an and Islam, which typically is: "How do you prove that the Qur'an is truly God's words and how can I be convinced that Islam is the true religion to follow?" The following approaches were taken to address this question: 1. In the book's Foreword section, I discussed about my own experience in seeking the truth and how I applied simple logic to show that Islam stands out from the other religions. 2. Through irrefutable historical and scientific evidence that have been proven by recent advancements in science and technology, I impressed on how impossible it is for the Qur'an to be authored by a mortal, especially so for someone who lived in the 7th century; and I also briefly explained how its linguistic beauty is a miracle that can never be rivaled until the end of time. 3. I also showed passages from the Qur'an that Islam is a truly universal religion for all which transcends race and ethnicity as it places very high emphasis on social justice for all. There is no racial supremacy in Islam. Everyone is equal in the sight of God and will be solely judged by their true faith and piety towards Him and the good deeds that they do. A true religion must have this universal feature because everyone is equal before his/her Creator. God cannot be God if He practices racial discrimination. 4. Through my footnotes on certain selected verses, I endeavored to make non-Muslims see that there is actually nothing wrong with Islam even though many of its followers and nations are besieged with woeful conditions mired by corruption and disunity. The problem is not with Islam, but with Muslims themselves who taint its beauty with their ignorance and over-emphasis on rituals that are not authentically prescribed by Islam but are instead "products" of culture and tradition that have been blindly inherited from earlier generations. Because of this, they become occupied with many unprescribed acts of worship until they unwittingly neglect the more important social responsibilities that have been commanded by God to address, such as the pursuit for quality education and equality before the law. Even worse, some tarnish and betray Islam simply because of their hypocrisy that is brought out from their insatiable greed for worldly gains. In summary, the Qur'an is truly a book of divine guidance for mankind which should not be ignored as it addresses the real concerns and challenges faced by every society at all times. And The Contemporary Qur'an is truly special in its own distinctive way which sets it apart from other English Qur'an translations as it aims to help us see Islam as a well balanced religion in living a blessed life in this world and emerge victorious in the next life to come if its true concept and teachings are properly understood and adhered to.
