Andromedas Fall The Prequel Legion Series 1 William C Dietz

Andromeda's Fall (2012) is the first of a new trilogy from William Dietz that takes place before his Legion of the Damned series. I rather liked the book, although perhaps not as much as the first ones in the original series, with Legion of the Damned remaining my all-time favourite from this author.

Andromeda's Fall: A Novel of the Legion of the Damned ...

Andromeda's Fall is my first experience of a William C. Dietz Legion of the Damned novel. In fact, I took my prompt from the word "prequel" to go investigate the original series. There's a tiny sliver of a summary on Wikipedia; When there's no hope for the terminally ill or a condemned criminal they have one last chance to survive.

The first novel in William C. Dietz's acclaimed Legion of the Damned series... There is one final choice for the hopeless—the terminally ill, the condemned criminals, the victims who cannot be saved: becoming cyborg soldiers in the Legion. Their human bodies are destroyed and they are reborn as living weapons. But when aliens attack the Empire, the Legion must choose sides.

Hundreds of years in the future, much has changed. Advances in medicine, technology, and science abound. Humanity has gone to the stars, found alien life, and established an empire. But some things never change... All her life, Lady Catherine Carletto—Cat—has lived for the next party, the next lover, the next expensive toy. Until, in a bloodthirsty power grab, Imperial Princess Ophelia and her cadre of synth assassins murder her brother, the emperor, and go on to purge the galaxy of his friends and allies—including Cat's family. Now Cat is on the run. And, like countless others before her, she finds sanctuary among the most dangerous of society's misfits—the Legion. Cat becomes Andromeda McKee: a woman with a mission—to bring down Empress Ophelia—or die trying.

“Returning to his Legion of the Damned universe, Dietz illustrates why he’s a master of the genre” (RT Book Reviews). And in Andromeda’s War, his heroine will face her ultimate test—as a battle-scarred legionnaire and as an innocent young woman who once lost everything... Now a platoon leader, Legionnaire Andromeda McKee seems to have successfully left behind her true identity of Lady Catherine “Cat” Carletto, one of the last two surviving members of the Carletto family targeted for death by Empress Ophelia. After failing at her one shot at vengeance, Andromeda had been questioning her own resolve. But now her uncle has been killed in a government raid back on Earth, leaving her as the last Carletto standing—and the family’s only chance for justice... A chance that comes when the empress’s ship crashes on a hostile planet and Andromeda is assigned to head up the rescue mission. As a legionnaire, Andromeda McKee has countless kills under her belt. But when faced with her greatest enemy, it will be Cat Carletto who has to pull the trigger on the one who really matters...

Zak Cato is a xenocop. He's returning a fugitive shape-shifting Sagathi when things go horribly awry. Saved from being slaughtered with the rest of his men because he is drunk, Cato must now become the hero he was created to be, recapture the Sagathi, and exact revenge.

An action-packed adventure based on the award-winning videogame from id Software, the creators of DOOM® and QUAKE®, Rage follows one man’s fight to save the future of humanity in a ravaged, post-apocalyptic world. The asteroid Apophis has annihilated Earth, and only a small percentage of humanity’s best and brightest have been saved. Buried deep below the ground in life-sustaining Arks, these chosen few are tasked with one vital mission—to restore civilization to

a devastated planet hundreds of years after the impact. When Lieutenant Nick Raine emerges from his Ark, he finds a future indistinguishable from nightmare. Humankind has not been entirely destroyed on the surface world, and a primitive new society has emerged in which life is nasty, brutish, and short. Mutants and bandits prey upon the weak, and a mysterious military group known as the Authority preys upon everyone. Worst of all, a would-be tyrant seeks to impose his will upon the shattered planet. Armed with nothing more than his combat training and survival instincts, Raine must rise to meet the challenges of the wasteland. From the Trade Paperback edition.

It takes more than guts to win a war...In a Legion gone lax, Colonel Bill Booly, with his mixed-blood and by-the-book attitude, is a misfit. So when he steps on some important toes, his punishment is assignment to the worst post in the galaxy: Earth. But Booly and his troops will turn out to be Earth's best line of defense, when a Legion-led military coup topples the government. It's Legionnaire against Legionnaire in a struggle that will be won by strength, by courage, and...

The New York Times–bestselling author’s military sci-fi saga continues as the fate a remote planet decides the future of the Confederacy. Second Lt. Antonio Santana was considered a hero—until he refused an order to fire on unarmed civilians. Now stripped of his rank, he’s been posted to the isolated planet of LaNor. Since its discovery, LaNor has attracted attention from all corners of the still-precarious Confederacy of Sentient Beings—all with an eye to exploiting its location and natural resources. As for the native LaNorians, little concern is paid to them except as a steady supply of cheap labor. But now, led by their empress, the LaNorians are ready to launch a rebellion. Taken by surprise

and suddenly surrounded, the competing interests must band together for survival. It is an unlikely alliance held together by Santana's courage and the diplomatic prowess of his sometime lover Christine Vanderveen. Even as the Legion and its newfound allies struggle to fend off the LaNorians, Santana begins to suspect that they all may be pawns in a much greater and deadlier campaign. Someone else is behind the uprising. And their true objective is to spread the chaos of war far beyond LaNor . . . “[An] elaborate military-political thriller . . . Dietz has created an intricate tapestry of local and star-faring culture with topnotch action sequences.”
—Publishers Weekly

The clone assassin has been played long enough—now it's more than a game. Bred to kill, Agent 47 is The Agency's most valuable assassin. So when a competing murder-for-hire organization decides to destroy The Agency, the first person they target for elimination is Agent 47. Tasking someone to off the best hitman in the business is one thing; getting the job done is another. When the attempt falls short, Agent 47 is ordered to track down and kill the culprit who is feeding vital information about The Agency to its enemies. Agent 47 must follow a bloody trail halfway around the world, fight his way through the streets of Fez, Morocco, and battle slavers deep inside Chad. Then he will discover a shattering truth: If he fails at his mission, the price he'll pay will be far greater than his own life. . . .

The action rarely lets up... A page turner.” Kirkus Reviews
When a bloodthirsty power grab on Earth results in the murder of her entire family, wealthy socialite Cat Carletto is forced into hiding. On the run from the ruthless Empress Ophelia, and seeking revenge against the woman who destroyed her life, Cat enlists in the Legion—an elite cyborg

fighting force made up of society's most dangerous misfits. On the battlefield, Cat Carletto vanishes, and in her place stands Legion recruit Andromeda McKee. As she rises through the ranks, Andromeda has one mission: bring down Empress Ophelia—or die trying. PRAISE FOR ANDROMEDA'S FALL “Dietz illustrates why he's a master of the genre: the battle scenes are numerous and thrilling; the world feels immersive and authentic; and our heroine is a tough-as-nails badass.” RT Book Reviews “Military SF accessible to those not familiar with the subgenre featuring a likeable protagonist, a ruthless villain, and enough surprises and pounding action to propel the reader forward.” SF Signal

At the close of the 24th Century, a series of revolutions has caused the galaxy to descend into chaos. With the Galactic Union's Army stretched thin, mercenary units have arisen for those who have the need—and the means—to hire them... Captained by former Detached Guerrilla Forces Colonel R.A. “Rags” Cutter, the Cutter Force Initiative is one of the best. A specialized team consisting of both aliens and humans, the Cutters offer services ranging from fight training and protection to extraction and assassination—as long as the target deserves it and their employer makes good on payday. When they're hired to find and rescue Indira, the soon-to-be-married daughter of the Rajah Ramal of New Mumbai, the teams' first task is to identify the kidnapper. The obvious suspects are insurgents who want to overthrow the rajanate, but as other forces enter the game and an assassination attempt is made on Ramal, the Cutters realize that their in-and-out extraction job is about to get a lot more interesting—and a lot more lethal...
