Comprehensive three-level French program.

Provide students with the tools they need to use French in real-life situations. This top-selling, three-level program includes technology and videos that bring the French language to life!

English conversation practice exercises. Teach English the fun way! Learn English the fun way! Comprising a collection of lesson worksheets with fun games, quizzes, competitions, amusing texts, unusual questions, humorous dialogues, discussion suggestions and role plays, Englishpath is an invaluable coursebook for English teachers and intermediate and advanced learners. The activities help establish a relaxed studying environment in which students feel encouraged to experiment with language and build their confidence speaking English, be it just out of interest or in preparation for the speaking part of IELTS or other formal testing. It is structured as a coursebook for English language courses - primarily targeting secondary school and university students studying English as a second or additional language - although it works as well for older age groups and more advanced English learners too. The book has 12 lesson units with teaching

notes and key included. Each lesson unit has a combination of individual, paired and group activities and numerous ideas for promoting discussions. To increase the learner's interest, the students are brought closer to the contemporary culture and aspects of everyday life in English speaking countries. The topics are concentrated on the shared interests of teenagers and young adults worldwide; selected themes range from popular free-time interests like television, music, fashion, food and holidays as well as professional subjects such as jobs, money, politics and science. Englishpath is a great workbook to help teachers deliver excellent lessons, make the lessons fun and keep the learners motivated and interested in learning English.
