If asked to list the greatest innovators of modern American poetry, few of us would think to include Jay-Z or Eminem in their number. And yet hip hop is the source of some of the most exciting developments in verse today. The media uproar in response to its controversial lyrical content has obscured hip hop's revolution of poetic craft and experience: Only in rap music can the beat of a song render poetic meter audible, allowing an MC's wordplay to move a club-full of eager listeners. Examining rap history's most memorable lyricists and their inimitable techniques, literary scholar Adam Bradley argues that we must understand rap as poetry or miss the vanguard of poetry today. Book of Rhymes explores America's least understood poets, unpacking their surprisingly complex craft, and according rap poetry the respect it deserves.

If asked to list the greatest innovators of modern American poetry, few of us would think to include Jay-Z

or Eminem in their number. And yet hip hop is the source of some of the most exciting developments in verse today. The media uproar in response to its controversial lyrical content has obscured hip hop's revolution of poetic craft and experience: Only in rap music can the beat of a song render poetic meter audible, allowing an MC's wordplay to move a club-full of eager listeners. Examining rap history's most memorable lyricists and their inimitable techniques, literary scholar Adam Bradley argues that we must understand rap as poetry or miss the vanguard of poetry today. *Book of Rhymes* explores America's least understood poets, unpacking their surprisingly complex craft, and according rap poetry the respect it deserves.

The definitive account of rap and hip hop as forms of American poetry "Bradley is a visionary critic, skillful and wise.... *Book of Rhymes* is a tour de force, brilliantly renovating hip hop criticism as [lit] rescues the forgotten vanguard of American poetry." --Henry Louis Gates, Jr. Rap may be the most revolutionary development in poetry over the past forty years, yet its originality is hidden in plain sight. Often overshadowed by the beat, bluster, and hype surrounding the music, lyrics are the heart of hip hop. *Book of Rhymes* explores America's least-understood poets by unpacking their complex craft and according them the respect they deserve as lyricists. Examining the language and techniques of hip hop's most memorable artists, literary scholar Adam Bradley argues that a new world of rhythm and rhyme awaits us if we put aside preconceptions and encounter rap with new ears and new eyes. Updated to reflect nearly a decade of the genre's evolution, *Book of Rhymes* remains the definitive work on the poetry of hip hop.

A reference book full of words that rhyme together that helps songwriters and poets to overcome writer's block and quickly find the right rhymes.

*A Revolution in Rhyme: Poetic Co-option under the Islamic Republic* tells the story of the lives and works of Iranian poets whose personal and literary career were shaped by the Iranian revolution in 1979. By drawing on similar examples, such as Soviet Russia, the book tries to tackle some key questions: how did these poets come to be known in the literary scene? What did they write about, and what were their ideas, styles, and literary techniques? And, last but not least, what kind of relationship have they established with the ruling power on the course of the past four decades? In a detailed study, Shams tackles the life and work of ten Iranian poets whose personal and literary lives transformed and were transformed by the 1979 Revolution and the rise of the Islamic Republic, shedding light on ways in which the current ruling state in Iran uses literature and particularly poetry as a tool for ideological dissemination.

Kevin has a bad attitude. He's the one who laughs when you trip and fall. In fact, he may have been the one who tripped you in the first place. He has a real knack for rubbing people the wrong way—and he's even figured out a secret way to do it with poems. But what happens when the tables are turned and he is the one getting picked on? *Rhyme Schemer* is a touching and hilarious middle-grade novel in verse about one seventh grader's journey from bully-er to bully-ee, as he learns about friendship, family, and the influence that words can have on people's lives. Includes bonus material! - Book Club Discussion Guide - Reading and Writing Connections

From Tin Pan Alley to the Beatles to Beyoncé, "Mr. Bradley skillfully breaks down a century of standards and pop songs into their elements to reveal the interaction of craft and art in composition and performance." (The Wall Street Journal) Encompassing a century of recorded music, this pathbreaking book reveals the poetic artistry of popular songs. Pop songs are music first. They also comprise the most widely disseminated poetic expression of our time. Adam Bradley traces the song lyric across musical genres from early twentieth-century Delta blues to mid-century rock 'n' roll to today's hits. George and Ira Gershwin's "Fascinating Rhythm." The Rolling Stones' "(I Can't Get No) Satisfaction." Rihanna's

"Diamonds." These songs are united in their exacting attention to the craft of language and sound. Bradley shows that pop music is a poetry that must be heard more than read, uncovering the rhythms, rhymes, and metaphors expressed in the singing voice. At once a work of musical interpretation, cultural analysis, literary criticism, and personal storytelling, this book illustrates how words and music come together to produce compelling poetry, often where we least expect it.

At once the most lucrative, popular, and culturally oppositional musical force in the United States, hip hop demands the kind of interpretation Imani Perry provides here: criticism engaged with this vibrant musical form on its own terms. A scholar and a fan, Perry considers the art, politics, and culture of hip hop through an analysis of song lyrics, the words of the prophets of the hood. Recognizing prevailing characterizations of hip hop as a transnational musical form, Perry advances a powerful argument that hip hop is first and foremost black American music. At the same time, she contends that many studies have shortchanged the aesthetic value of rap by attributing its form and content primarily to socioeconomic factors. Her innovative analysis revels in the artistry of hip hop, revealing it as an art of innovation, not deprivation. Perry offers detailed readings of the lyrics of many hip hop artists, including Ice Cube, Public Enemy, De La Soul, krs-One, OutKast, Sean "Puffy" Combs, Tupac Shakur, Lil' Kim, Biggie Smalls, Nas, Method Man, and Lauryn Hill. She focuses on the cultural foundations of the music and on the form and narrative features of the songs—the call and response, the reliance on the break, the use of metaphor, and the recurring figures of the trickster and the outlaw. Perry also provides complex considerations of hip hop's association with crime, violence, and misogyny. She shows that while its message may be disconcerting, rap often expresses brilliant insights about existence in a society mired in difficult racial and gender politics. Hip hop, she suggests, airs a much wider, more troubling range of black experience than was projected during the civil rights era. It provides a unique public space where the sacred and the profane impulses within African American culture unite.

From the school yards of the South Bronx to the tops of the "Billboard" charts, rap has emerged as one of the most influential cultural forces of our time. This pioneering anthology brings together more than 300 lyrics written over 30 years, from the "old school" to the present day.
