~~Amazon.co.uk:Customer reviews: C Programming: A Modern Approach~~

I ordered K. N. King's "C Programming: A Modern Approach" (Second Edition) from Amazon for my recent birthday. Having had more birthdays than I care to admit, this gift to myself is right up there with a Lionel train set I got for my eighth birthday (not from Amazon, of course—it didn't exist that long ago but passenger trains sure did :)).
