They deliver high power output, proven reliability and excellent fuel efficiency. These engines maintain low operating costs to keep your customers profitable for years to come.

Cat 3606

CAT engines have a history of excellent performance and reliability, and the 3408 is no exception. The 3408 is a V8 variant of the popular 3406 engine. It was first introduced in the 1970s and discontinued around 1985. Although considered pricey at the time (and a bit on the heavy side) it soon gained popularity, especially as a marine engine. You can find countless listings for the CAT 3408 ...
