Billy Slater has been called the best fullback ever to have played the game by rugby league greats and fans alike. With a glittering collection of personal and club honours, including four grand final wins, five Dally M awards and two Clive Churchill Medals, he has delighted fans of the Melbourne Storm, Queensland State of Origin and the Australian Kangaroos for sixteen years. More than just a decorated player, however, Slater is a widely regarded and respected figure in the sport. A young country recruit with superb natural talent, he debuted for the Storm after only one pre-season in Melbourne and sent shockwaves through State of Origin in just his second season. But Slater capitalised on his talent with a fierce competitive drive and a relentless work ethic, which he learned from his parents and honed working in the racing industry before hitting the NRL stage. As well as many celebrated victories, Slater's career has seen him confront the Melbourne Storm salary cap scandal, heartbreaking losses and a devastating shoulder injury that

Acces PDF Darren Lockyer Autobiography

made him fear that he would never hold his children again, let alone compete in a brutal sport like rugby league. Through it all Slater has emerged not merely as a great of the game, but as an even more resilient character, an ambassador for his sport, and a devoted husband and father. Featuring contributions from rugby league legends like Cooper Cronk, Craig Bellamy, Darren Lockyer and Cameron Smith, and from the Slater family, this edition is updated to include Billy's final season in the NRL before farewelling the game.

The autobiography of the league legend. Johnathan Thurston is widely regarded as rugby league's greatest player. This autobiography will follow Thurston's journey from a Brisbane kid who was written off as too skinny, too slow and too wild to play professionally, to his debut with the Canterbury Bulldogs in 2003, to State of Origin star, to Dally M and Clive Churchill Medal winner, and the fairytale premierships.

No Marketing Blurb

Brisbane Broncos legend Corey Parker has played more rugby league games than any other forward in the game's 108-year history. After 16 seasons and over 340 NRL games - plus 19 Origin games for Queensland and 16 tests for Australia - it's clear why Parker was hailed 'League's ultimate iron man'. Power.

Acces PDF Darren Lockyer Autobiography

Dedication. Durability. These are the steely qualities that made Parker a hero to footy fans in Queensland and throughout the NRL. Yet the silver-haired elder statesman of 2016 who captained the Broncos was light years from the raw-boned skin-headed teen who burst onto the scene in 2001. Iron Man tells the extraordinary story of how that wild kid from Logan evolved into a premiership-winning star, a one club man, an Origin icon and a sharp-shooting goal-kicker and hard-running hit-man whose epic feats on the footy field demanded respect from all who played with and against him.

The story of how one of the most promising young stars of the NRL is overcoming a tragic and life changing injury.

Like most of the bouncers in town, Bobby Lee was an ageing boxer, but was as tough as they come. He was the muscle on the door at Thommo's, the illegal two-up game held in secrecy in Surry Hills in Sydney's inner city. It was owned by Joe Taylor - 'The Boss', as everyone called him. In May 1951, Bobby Lee was shot five times. He didn't survive. Jack Gibson got his job. 'Big Jack' was the original supercoach, but before that he was one of the toughest men in Sydney. It was there for all to see as a brutal front-row forward for Easts, Newtown and Wests during the 1950s and 1960s. As a coach, he was a revolutionary, adopting methods from

Acces PDF Darren Lockyer Autobiography

American football and innovating heavily in his own right to win back-to-back premierships with Eastern Suburbs in 1974 and 1975, and then three with Parramatta from 1981 to 1983-giving the Eels their first ever premiership win. Yet behind his gruff exterior and trademark kangaroo fur coat was a generous and warm family man, whose life was changed forever by the death of his son Luke from a drug overdose. With the cooperation of Jack's family and friends, and unprecedented access to Jack's scrapbooks, journals and private photographs, Andrew Webster has written the definitive account of the 'Coach of the Century', Jack Gibson.

THE SUNDAY TIMES BESTSELLER 'Hilarious, and straight talking but also articulate and insightful – I am just hugely fond of this guy' –Eddie Jones 'James Haskell: what a flanker, what a book' –Rugby World
