Chris Thrall's "Eating  
Smoke" is a fascinating,  
beautifully written account  
of a British Royal Marine's  
descent into methamphetamine  
addiction. Thrall is adept  
at description -- the hustle  
and bustle of the city of  
Hong Kong, and the dope  
fiends and hard-drinking  
expats he hung out with come  
alive as the story unfolds.
