NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Student Value Editions that include MyLab(tm) or Mastering(tm), several versions may exist for each title -- including customized versions for individual schools -- and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering platforms. For courses in entrepreneurship. Teach the entrepreneurial process through real-world examples Entrepreneurship: Successfully Launching New Ventures explores the allure of entrepreneurship, teaching students how to successfully launch and grow their own business. Using real business profiles of inspiring young entrepreneurs, the text engages students through relevant examples they can easily relate to. The 6th Edition examines entrepreneurship through an easy, four-step process that clearly outlines both the excitement and difficulty of launching a new company. Careful to identify failures as well as successes, the text is a guide to starting a new business. Also available with MyLab Entrepreneurship By combining trusted authors' content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. NOTE: You are purchasing a standalone product: MyLab(tm) Entrepreneurship does not come packaged with this content. Students, if interested in purchasing this title with MyLab Entrepreneurship, ask your instructor to confirm the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the loose-leaf version of the text and MyLab Entrepreneurship, search for: 0134891503 / 9780134891507 Entrepreneurship: Successfully Launching New Ventures, Student Value Edition Plus MyLab Entrepreneurship with Pearson eText -- Access Card Package, 6/e Package consists of: 013472996X / 9780134729961 Entrepreneurship: Successfully Launching New Ventures, Student Value Edition 0134731212 / 9780134731216 MyLab Entrepreneurship with Pearson eText -- Access Card -- for Entrepreneurship: Successfully Launching New Ventures

Economics of Money, Banking, and Financial Markets heralded a dramatic shift in the teaching of the money and banking course in its first edition, and today it is still setting the standard. By applying an analytical framework to the patient, stepped-out development of models, Frederic Mishkin draws students into a deeper understanding of modern monetary theory, banking, and policy. His landmark combination of common sense applications with current, real-world events provides authoritative, comprehensive coverage in an informal tone students appreciate.

Prepare future managers to face the differences in business communication across cultures. With the globalization of the world economy, it is imperative for current and future managers to be sensitive to the differences they will encounter in intercultural communication. To help make readers aware of these differences, Intercultural Business Communication contains practical guidelines and information on how to conduct negotiations across countries, write business letters in different societies, and includes the general "dos" and "don'ts" in international business. The fifth edition contains new cases, updated examples, and information from ten newly published books and journal articles.

For courses in Mathematics for Business and Mathematical Methods in Business.This classic text continues to provide a mathematical foundation for students in business, economics, and the life and social sciences. Abundant applications cover such diverse areas as business, economics, biology, medicine, sociology, psychology, ecology, statistics, earth science, and archaeology. Its depth and completeness of coverage enables instructors to tailor their courses to students' needs. The authors frequently employ novel derivations that are not widespread in other books at this level. The Twelfth Edition has been updated to make the text even more student-friendly and easy to understand.
