I swear on my dog's life that Neal Shusterman's Everlost is pure awesomeness. Kids who die go to a sort of place but not a place existing between life and death called Everlost. If they stay there instead of passing on, they have to stay in areas called "dead spots", where a significant death has happened.

Everlost (Skinjacker #1) Nick and Allie don't survive the car accident.....but their souls don't exactly get where they're supposed to get either. Instead, they're caught halfway between life and death, in a sort of limbo known as Everlost: a shadow of the living world, filled with all the things and places that no longer exist.

Everlost (Skinjacker #1) read online free by Neal Shusterman Start your review of Everlost (Skinjacker, #1) Write a review. Oct 16, 2011 Lindsey Brewer rated it liked it. While the book was very slow to get going (they seemed to just be walking and walking and walking...) the characters eventually hooked me. Book 2 is so much better. I'd suggest to anyone wanting to read the series to just start with book 2. flag 2 likes · Like · see review. Nov 17 ...

Skinjacker trilogy that takes place in Everlost, the place between life and death.

Everlost - Wikipedia

Neal Shusterman has written an engaging story full of twists and turns to keep the reader on their toes. This is not simply a YA novel, adults can fall under it's spell just as easily and teens. The story doesn't end on a cliffhanger but I can't imagine not wanting to dive right into the next book in the series.
