After about a year of study I was called home to see my father, who was dangerously ill. Like many people he had always been a strong believer in his religion. I wondered how he would react to my presentation of what I had learned since I last saw him ...

5.0 out of 5 stars Faith on the march. Reviewed in the United States on 6 December 2010. Verified Purchase. This is a well written book. The account catches the imagination. It is an account of somebody who wanted to find the truth. He found it, and lived by it all his life. He PROVED for himself the truthfulness of the Bible and, as the title of the book indicates, moved forward and acted on ...

Growing out of this theme is the true story of a "faith on the march." The author's long association with Charles Taze Russell qualifies him to narrate this beloved man's early search for truth, the trials encountered and the rapid growth of interest in the message of the "dawn of the Millennial age."
