COVID-19: Implications for business | McKinsey

September 27, 2016. Mike Rost. From clay tablets to the cloud, accounting and finance have seen vast changes in tools, methods, and focus since their inception. But they continue to evolve in the face of a changing business environment. Developments in the type and amount of data available to finance professionals, along with powerful new tools used to analyze it, have created a new role for financial planning and analysis (FP&A).
