The point of this was for another project - one where I am mapping the 5th edition Realms, buuuut... some of the 'ugly' supposedly has stayed from 4e. Thus, I had to do my own version of a 4e map (on the 1e/2e terrain layout), and now I can 'hybrid' it with the other map, so that I can figure-out what the Old Empires and the Shining South might look like in 5e (The Heartlands look the way the ...

The 4th Edition Realms map does neither. It’s an undifferentiated brownish-green blob overwhelmed by heavily-outlined text, and it doesn’t even use the entire sheet it’s printed on (the edges are blank).

There’s a map online of the northwest corner of Faerun, but I don’t believe there’s an official map of all of the Forgotten Realms yet. As someone who’s new to the game and setting, I find the Forgotten Realms wikia to be a great source of information, and it has a page for the Second Sundering which I believe is what you’re looking for.

Forgotten Realms partial map. Religion ... The 4th Edition update to the Forgotten Realms brought massive lore changes which were "tied to a number of other design philosophies" and the Forgotten Realms "simultaneously had become a grittier setting, on the edge of collapse, while also becoming a more fantastic one, full of wonder and mystery". Jason Wilson, for VentureBeat, highlighted that ...

Unlike the Outer Planes of the standard D&D cosmology which were heavily alignment-based, the Outer Planes of the Forgotten Realms cosmology were faith-based. The planes of the Forgotten Realms were retooled in the 4th edition to match the new default cosmology, with many of the planes or realms being relocated to the Astral Sea, and a handful now located in the Elemental Chaos.

Everything a player needs to adventure in the Forgotten Realms, the most popular setting in the D&D "RM" game can be found right here: history, maps, non-player characters, geography, economics, societies, organizations, religions, politics, monsters, magic items, spells ... even a start-up adventure in the Realms!

Reduced to ruins by supernatural cataclysms, Neverwinter rises from the ashes to reclaim its title as the Jewel of the North. Yet even as its citizens return and rebuild, hidden forces pursue their own goals and vendettas, any one of which could tear the city apart. Neverwinter has long been one of the most popular locations in the Forgotten Realms® campaign world. This book presents a complete heroic-tier campaign setting that plunges players into the politics, skullduggery, and peril of a city on the brink of destruction or greatness. A wealth of information about Neverwinter and its environs is provided: maps, quests, encounters, and statistics -- everything a Dungeon Master needs for his heroic tier adventures.

The complete guide for building Forgotten Realms characters. This guide presents this changed world from the point of view of the adventurers exploring it. This product includes everything a player needs to create his character for a D&D campaign in the Forgotten Realms setting.

“Well, I'm now behind on my own writing, because I couldn't tear myself away from Lesser Evils. Then again, I'm only behind by a single day--because I really couldn't tear myself away from Lesser Evils. If the next one's not out until tomorrow, it's still too far off. And if Evans is not already a name spoken of as part of the true Forgotten Realms pantheon, along with Kemp, Cunningham, and Salvatore, it can only be because she has fewer books out, and thus hasn't reached everyone yet.”— Ari Marmell, author of Agents of Artifice, The Conqueror's Shadow, and the Widdershins Adventure series
“Lesser Evils is incredibly immersive and technically brilliant. I love the complex characters and layered plot, and the dialogue is sharp, natural, and brimming with personality. It’s one of those books where you forget about the fact that you're reading a book, and just experience the story as though you were there. Erin M. Evans has a rare talent. She's one to follow for sure.”—Susan J. Morris, author of “Writers Don't Cry” column on Omnivoracious, an Amazon.com books blog
“Lesser Evils will leave you begging for more from Erin M. Evans. Intrigue upon intrigue and a host of unforgettable characters interwoven into a plot that is riddled with heart-stopping action.Who could ask for more!” —Chris A. Jackson, award-winning author of Scimitar Moon Overview: Mere weeks after escaping Neverwinter, Farideh’s dreams are still haunted by Lorcan, the cambion devil whose power fuels her own. One of only four known descendants of the original Brimstone Angel, Farideh has no regrets about the pact she made with the devil. But no one in the Hells knows that she has a twin—an impulsive eager sister, just waiting to be corrupted. At least as long as Lorcan can keep her secret. Determined to protect her sister, Farideh searches for a ritual that could call Lorcan out of the Hells. But in the midst of her hunt, she’s drawn into an assignment for the secret society the Harpers, an assignment which leads her and a ragtag group of allies to an ancient Netherese library deep underground. While the group combs the site, dodging ghosts and magical traps, Farideh discovers a magical book whose pronouncements throw into question everything she thought she knew about herself and her sister. The more the Book gives up its macabre secrets, the more one thing becomes clear—a traitor lurks among them. Read More: If you are looking for more from Erin M. Evans, search for “The God Catcher” her debut novel about a woman who may be a dragon—or who may just be criminally insane. If you are looking for more in this series, search for “Brimstone Angels” by Erin M. Evans about Farideh, a kickass heroine sets out to unravel the schemes of an evil succubus in the ruined city. If you are looking for more kickass heroines, search for “Gauntlgrym” by R.A. Salvatore, featuring the alluring and powerful Dahlia Sin'Felle who squares off against the legendary Drizzt Do'Urden. If you are looking for more epic fantasy series, search for “Homeland” by R.A. Salvatore, the first book in the epic Legend of Drizzt. If you are looking for more sword and sorcery, search for “Sword of the Gods” by Bruce R. Cordell, the story of an angel given mortal flesh to act as an assassin for gods who no longer exist. If you are looking for more stories set in the Forgotten Realms, search for “Twilight Falling” by Paul Kemp, about Erevis Cale, an assassin with a conscience.

A guide to the role-playing game that provides information on its commands, individual campaigns, scoring, extras, tactics, and the secrets of the multi-player mode. This adventure takes characters from 1st level to 3rd level.

Offers a comprehensive description of the Forgotten Realms, one of the most well known Dungeons & Dragons campaign settings.

A D&D Adventure for 11th-level characters. Designed to take characters from 11th to 14th level, this adventure pits the heroes against a variety of horrible monsters and fiendish foes as they seek to thwart the evil machinations of the denizens of the Trollhaunt Warrens. This adventure can be run as a stand-alone adventure or as Part One of a three-part series of adventures that spans 10 levels of gameplay.

Demons and demon lords for your Dungeons & Dragons® campaign! Demonicon(tm) presents the definitive treatise on demons and their masters, the demon lords. Whether you're looking to introduce demons into your D&D® campaign or plunge your heroes into the heart of the Abyss, this book has something for you! More than just a maelstrom of chaos and corruption, the Abyss is an exciting D&D adventure locale for paragon- and epic-level heroes to explore. Within its many layers lurk powerful demon lords and fiendish hordes eager to be unleashed upon unsuspecting worlds. This tome brings demons into the world of D&D, updates classic demons to 4th Edition, provides statistics for various demon lords, and introduces dozens of new horrors from the abyssal depths. It gives Dungeon Masters ready-to-use encounters and mechanics to make demons exciting elements in their home campaigns.

A Forgotten Realms adventure for 2nd-level characters. Scepter Tower of Spellgard is the first full-length Forgotten Realms adventure published for 4th Edition D&D. When paired with the adventure that appears in the Forgotten Realms Campaign Guide, this adventure provides the Dungeon Master with all he needs to get his campaign started.
