"Michaels rewrites the rules of the revenge game" in this rousing thriller in the New York Times bestselling Sisterhood series, following Lethal Justice (Publishers Weekly). Sooner or later, the Sisterhood always gets their man . . . The loyal friends who make up the Sisterhood have gathered at Myra Rutledge's beautiful Virginia home for the first time in a year, eager to talk, laugh, and share their joys and heartaches. For one of their number, it's an evening filled with anticipation. Because tonight, over delicious food and in the company of those she trusts most, it will finally be time to tell her story--and for the Sisterhood to help plan her revenge. Yoko Akia's mother was only fifteen when a wealthy man swept her off her feet with promises of love. Instead, he filled her brief life with horror and misery. The Sisterhood has helped each other exact vengeance on rotten men before, but this time it's different. Their target is none other than America's favorite movie star--a brute who has conned the world into believing he's Mister Perfect. But he's about to learn that nobody--not even a powerful superstar--is above the Sisterhood's special brand of payback . . . Series praise "Spunky women who fight for truth, justice, and the American way."--Fresh Fiction on Final Justice "Readers will enjoy seeing what happens when well-funded, very angry women take the law into their own hands."--Booklist on Weekend Warriors "Delectable . . . deliver[s] revenge that's creatively swift and sweet, Michaels-style."--Publishers Weekly on Hokus Pokus

Yoko Akia's mother, a teenager whom a rich American tricked into joining a twisted prostitution ring, died young after giving birth to a baby girl, and Yoko now seeks the help of her friends in punishing her father and avenging her mother's mistreatment and death.

Not Even An Ocean Can Keep The Sisterhood From Helping A Friend In Need. . . There is no match for the Sisterhood--the seven friends who have taken vigilante justice to a new level--not even the Federal Bureau of Investigation. Although the women foiled former FBI director Mitch Riley's plot to frame their friends Judge Nellie Easter and lawyer Lizzie Fox, now they must remain in exile or risk capture. They can't complain about their opulent digs on a remote, luxurious mountaintop, but the ladies desperately miss home. Their wish to return might come true sooner than they expect when they receive a panicked call from Supreme Court Chief Justice Pearl Barnes, who faces blackmail for her own illegal brand of justice. Now the women must not only sneak back into the United States, but also remain undetected as they investigate. But how do you make seven women disappear? With a nosy reporter on the brink of exposing them, the clock is ticking as the Sisterhood tries to create a little magic--and save the day. . . Praise for Fern Michaels and her Sisterhood novels. . . "Revenge is a dish best served with cloth napkins and floral centerpieces. . .fast-paced. . .puts poetic justice first." --Publishers Weekly on Payback "An unforgettable story." --Rendezvous on Weekend Warriors

The women of the Sisterhood are fun, smart, sassy, and determined to get their way every time. But most of all, they are the best friends a woman wants by her side in good times and bad. Meeting once again in Myra Rutledge's beautiful Virginia home, they're ready to face a new challenge and right a vicious wrong. . . Alexis Thorn, once a successful securities broker, spent a hellish year behind bars for a crime she never committed. Now she has her freedom, but she's left with haunting memories of being hauled from her office in handcuffs. . .of the cell door clanging shut behind her. . .of her pleas going unheard. Meanwhile the real criminals--her former employers, Roland Sullivan and his lover Arden Gillespie--continue to make millions by conning the innocent, especially preying on the elderly and taking their life savings. Alexis dreams of getting even. The legal system failed her, but the Sisterhood won't. They have a delicious plan that can give Sullivan and Gillespie a taste of their own bitter medicine. . .

Seven women glam up to take their enemies down--from the New York Times bestselling author whose "writing is as intriguing and fast paced as ever" (Booklist). Once upon a time there were seven very different women who had been broken but not beaten by life. In those tough days of healing, they became the Sisterhood, a group of devoted friends who vowed to change their lives, empower themselves, and be there for each other, no matter what. Now, they're ready to answer the call for the woman who started it all, Myra Rutledge. Five years ago, Myra's pregnant daughter was killed by a hit-and-run driver--the playboy son of an ambassador with diplomatic immunity. Myra was left to grieve while the murderer was free to return to his lavish lifestyle with no fear of ever having to pay for his crime. But not for much longer. As the air turns crisp in the Virginia hills around Myra's lovely old farmhouse, the Sisterhood has gathered for a little creative planning, and what they have in mind is a gift for Myra of long-awaited and very sweet revenge . . . On the surface, these seven women are as different as can be--but each has had her share of bad luck, from cheating husbands to sexist colleagues to a legal system that often doesn't do its job. Now, drawn together by tragedy, they're forging a bond that will help them right the wrongs committed against them and discover an inner strength they didn't know they had.
