A science course for students in Caribbean primary schools. Developed to fulfil the requirements of primary science curricula throughout the region, it also includes separate teacher's guides, with background information, teaching notes and support for remedial and extension activities.

Designed for 6-12 year olds, this title follows best practice in science education and is written by leading authors of primary science resources in the UK. Through stimulating content and carefully graded activities and exercieaes, it guides pupils to develop a sound framework of scientific knowledge and understanding.

The Grade 1 Student Edition covers units such as Plants, Animals and Their Homes, Our Earth, and Weather and Sky.
