The Hunger Games present the tributes' suffering as mass entertainment, and the more the tributes suffer, ideally in battle with one another, the more entertaining the Games become. The main draw of the Games for viewers is its voyeurism, in this case watching the tributes, who are of course children, fighting and dying.

The hilarious instant New York Times bestseller, *The Hunger Pains* is a loving parody of the dystopian YA novel and film, *The Hunger Games*. Winning means wealth, fame, and a life of therapy losing means death, but also fame! This is *The Hunger Pains*. When Kantkiss Neverclean replaces her sister as a contestant on the Hunger Games—the second-highest-rated reality TV show in Peaceland, behind *Extreme Home Makeover*—she has no idea what to expect. Having lived her entire life in the telemarketing district's worst neighborhood, the Crack, Kantkiss feels unprepared to fight to the death while simultaneously winking and looking adorable for the cameras. But when her survival rests on choosing between the dreamy hunk from home, Carol Handsomestein, or the doughy klutz, Pita Malarkey, Kantkiss discovers that the toughest conflicts may not be found on the battlefield but in her own heart . . . which is unfortunately on a battlefield.

The New York Times bestselling *Hunger Games* is now a major motion picture -- and here is the ultimate guide to the all the tributes in the 74th annual Hunger Games! Here is the ultimate guide to the twenty-four tributes participating in Panem's 74th annual Hunger Games. Follow the tributes' journey from the reaping to the Games, with a look at all the highlights along the way--the Tribute Parade, the stations of the Training Center, the interviews, and more. Get exclusive information about the tributes' strengths and weaknesses, their weapons of choice, and their experience in the Capitol before entering the arena.

Greek mythology meets the Kardashians in Emily Roberson's *Lifestyles of Gods and Monsters*, a fresh, fast-paced debut young adult novel about celebrity culture, family dynamics, and finding love amidst it all. Sixteen-year-old Ariadne's whole life is curated and shared with the world. Her royal family's entertainment empire is beloved by the tabloids, all over social media, and the hottest thing on television. The biggest moneymaker? The Labyrinth Contest, a TV extravaganza in which Ariadne leads fourteen teens into a maze to kill a monster. To win means endless glory; to lose means death. In ten seasons, no one has ever won. When the gorgeous, mysterious Theseus arrives at the competition and asks Ariadne to help him to victory, she doesn't expect to fall for him. He might be acting interested in her just to boost ratings. Their chemistry is undeniable, though, and she can help him survive. If he wins, the contest would end for good. But if she helps him, she doesn't just endanger her family's empire—the monster would have to die. And for Ariadne, his life might be the only one worth saving. Ariadne's every move is watched by the public and predestined by the gods, so how can she find a way to forge her own destiny and save the people she loves?

\*\* *Allegiant* by Sara Mack is the second novel in *The Guardian Trilogy*. It is not affiliated with the *Divergent* series by Veronica Roth. \*\*Last summer, Emma discovered that true love never dies. It can return. It can give you hope. It can pull you from darkness. Until it's ripped from you. Again. As her 22nd birthday approaches, Emma Donohue finds herself back at school and utterly alone. Hours away from family and friends, her solitary days are spent contemplating what never should have been. James should never have died, but he did. He should never have been assigned as her Guardian, but he was. And she should never have allowed Dane to get too close to her heart. But she failed. Desperate to fill her time, Emma is intrigued by her mysterious new neighbor, Garrett. She's never met anyone quite like him before, and, curious, she attempts to discover his past. Little does she know his presence will pull her into a world she could never imagine. A world that follows an ancient doctrine. A world built on loyalty, yet plagued by secrets and lies. A world that will threaten everything - and everyone - she loves. *Allegiant* is a new adult/college paranormal romance containing moderate language/mild innuendo. *Allegiant* is the second story in *The Guardian Trilogy*. The third novel, *Reborn*, is complete and due to be published in February 2014.

For fans of *The Giver*, a futuristic thriller with a diverse cast. In Thalia's world, there is no more food and no need for food, as everyone takes medication to ward off hunger. Her parents both work for the company that developed the drugs society consumes to quell any food cravings, and they live a life of privilege as a result. When Thalia meets a boy who is part of an underground movement to bring food back, she realizes that there is an entire world outside her own. She also starts to feel hunger, and so does the boy. Are the meds no longer working? Together, they set out to find the only thing that will quell their hunger: real food. It's a journey that will change everything Thalia thought she knew. But can a "privy" like her ever truly be part of a revolution?

He didn't know he was playing. Zack was just living his life. It was really a game. When he started to ask questions, everything changed. Zack wasn't supposed to figure it out. He could ruin everything. Zack was disoriented when he woke up. They had welcomed him back. He didn't know where he'd been. He just remembered being 74 and near death. They said he was seventeen. What was this "best score" they kept going on about? Where was this place? Who were these people? And why did they keep talking about the next game? You'll love the first book in the series and get lost in the elaborate world created by Terry Schott. It will keep you turning pages until the end. Get book 1 now.

The gripping first installment in New York Times bestselling author Tahereh Mafi's *Shatter Me* series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But *The Reestablishment* sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss *Defy Me*, the shocking fifth book in the *Shatter Me* series!
