From the dark depths of the past, comes the tale of the first wizard of Illeniel. Daniel Tennick lived simply, a young shepherd with few troubles and little to occupy his mind, until the warden appeared. Daniel's power awakens, and he finds himself hunted by the servants of the cruel and uncaring forest gods. Trapped by his gift, Daniel will uncover the secrets of the deep woods and those who live there, a civilization created from the grave of an older one. What he discovers will light a vengeful flame within him, consuming everything he touches.

Raised and trained in seclusion at a secret fortress on the edge of the northern wilds of the Kingdom of Ashai, a young warrior called Rezkin is unexpectedly thrust into the outworld when a terrible battle destroys all that he knows. With no understanding of his life's purpose and armed with masterful weapons mysteriously bestowed upon him by a dead king, Rezkin must travel across Ashai to find the one man who may hold the clues to his very existence. Determined to adhere to his last orders, Rezkin extends his protection to an unlikely assortment of individuals he meets along the way, often leading to humorous and poignant incidents. As if pursuing an elite warrior across a kingdom, figuring out who he is and why everyone he knows is dead, and attempting to find these so-called friends and protect them is not enough, strange things are happening in the kingdom. New dangers begin to arise that threaten not only Rezkin and his friends, but possibly everyone in Ashai.

A princess arrives to a party on a distant planetoid only to discover that the event is an auction and she's the item on sale. Surrounded by scoundrels and without a friend in sight, she has no choice but to rescue herself. Her arsenal: vague memories from classes, a pile of gadgets for which she never read the user manual, and a ferret.

And while studying under the Master, he finds himself thrown into the middle of a political revolt that will impact everyone he's come to know. An imaginative new talent makes his debut with the acclaimed first installment in the epic Sorcery Ascendant Sequence, a mesmerizing tale of high fantasy that combines magic, malevolence, and mystery. After young Caldan's parents are brutally slain, the boy is raised by monks who initiate him into the arcane mysteries of sorcery. Growing up plagued by questions about his past, Caldan vows to discover who his parents were, and why they were killed. The search will take him beyond the walls of the monastery, into the unfamiliar and dangerous chaos of city life. With nothing to his name but a pair of mysterious heirlooms and a handful of coins, he must prove his talent to become apprenticed to a guild of sorcerers. But the world outside the monastery is a darker place than he ever imagined, and his treasured sorcery has disturbing depths he does not fully understand. As a shadowy evil manipulates the unwary and forbidden powers are unleashed, Caldan is plunged into an age-old conflict that will bring the world to the edge of destruction. Soon, he must choose a side—and face the true cost of uncovering his past.

The story of the first Illeniel wizard continues. Tyrion's life among the She'Har had become quiet, but the sins of his youth have returned to haunt him. The Mordan wardens have discovered one of his children, and the other groves are racing to find and claim the rest of his illegitimate offspring. Unable to stand by and watch as his children are used as pawns against one another, Tyrion makes a hard choice, one that will set him against everyone and everything he cares for. Others' love had made his children strong, but his hate would make them powerful.

Ryuu is a boy orphaned by violence at a young age. Found by a wandering warrior, he learns he may have more strength than he ever imagined possible. A quiet child, Moriko is forced into a monastic system she despises. Torn from her family and the forest she grew up in, she must fight to learn the skills she'll need to survive her tutelage under the realm's most dangerous assassin. Young, beautiful, and broke, Takako is sold to pay for her father's debts. Thrust into a world she doesn't understand and battles she didn't ask for, she must decide where her loyalties lie. When their lives crash together in a Kingdom on the brink of war, the decisions they make will change both their lives and their Kingdom forever. If they can stay alive.
