and other questions in the series, you will be able to become more familiar with the types of questions asked in the exam and be better able to respond confidently. If you're not doing an IELTS practice test daily, for at least a few months before the exam, you will find it harder to get the band score that you want. Even native English speakers who don't study for the IELTS test can fail to get the band score they need. These IELTS practice tests have come from many discussions with IELTS examiners, IELTS teachers, and especially IELTS students who have described the kinds of questions that can appear in the real exam. You will find that the Just IELTS Questions series will be a great addition to your IELTS toolkit and can help you reach your goal faster.

This volume reports research that informs the development of reading and listening assessment in IELTS. This volume brings together a set of eight IELTS-related research studies - four on reading and four on listening - conducted between 2005 and 2010. Findings from these studies provide valuable evidence on the validity, reliability, impact and practicality of the IELTS test; they are also instrumental in highlighting aspects needing attention, and thus directly inform the continuing evolution of the IELTS reading and listening tests. The volume reviews and comments on the specific contribution of each study to the ongoing process of IELTS reading and listening test design and development.

Cambridge IELTS 10 provides students with an excellent opportunity to familiarise themselves with IELTS and to practise examination techniques using authentic test material prepared by Cambridge English Language Assessment. It contains four complete tests for Academic module candidates, plus extra Reading and Writing modules for General Training module candidates. An introduction to these different modules is included in each book, together with with an explanation of the scoring system used by Cambridge English Language Assessment. A comprehensive section of answers and tapescripts makes the material ideal for students working partly or entirely on their own.
