#5 Is this the last book in the Premonition series? Answer: I don't know, yet. I'm trying to make it the last book, but I tried to make Incendiary the last book and we see how that turned out. I'm what people in the industry refer to as a panster. I write by the seat of my pants. I'm often surprised by what happens in my own stories.

overlooking the water. I catch my first sight of the Irish coastline; its craggy landscape makes me shiver in dread. I find it difficult to imagine now how the Gancanagh had made this their home for so long without anyone realizing it. The cold, moss-covered edifices practically scream their presence. As I study the shadows between the falling-down stone, I imagine creeping shapes of undead Faeries grasping the rock, waiting for our ship to draw nearer to their position. Tipping my face up, I let the rain wash over me. It bathes away the frigid sweat of fear that has broken on my brow. "You don't know how fiercely beautiful you are, do you?" A quiet voice behind me asks, causing me to stiffen and fix my eyes on the rocks along the shoreline.

I gasp as my body curls toward Brennus like a flower to the sun, for the pleasure of it. He holds me close to him. His nose grazes the length of my neck. He breathes me in. I feel the roar and rush of my heartbeat. I'm his toy; his energy streams into me. He winds the invisible key in my back and the euphoria ratchets and coils inside of me: tick...tick...tick...Another wicked surge of energy flows from him into me. Pain. Pleasure. Bliss. My jaw unclenches as my lips part. I make a small, breathy sound as we dance. Brennus responds with something close to a growl. "Ye're killing me, mo chro í," he murmurs. His hand moves down my back infusing me with a golden glow of power. My wings punch violently from me, tearing a hole in my day dress. They spread wide, like a red stain beyond my pale skin. I'm dancing now for the thrill of it. I follow his lead. As the song comes to an end, Brennus kisses my throat. He

whispers in my ear, ?When ye get back, come find me, mo chro í . I?ve healed ye...now wake up and banjax whoever banished ye here...

My name is Evie Claremont and this was to be the making of me – my freshman year of college. I'd been hoping that once I'd arrived on Crestwood's campus, the nightmare that I've been having would go away. It hasn't. I may be an inexperienced seventeen-year-old, but I'm grounded...sane. I look for rational explanations to even the strangest circumstances. Since meeting sophomore Reed Wellington, however, nothing makes any sense. Whenever he's near, I feel an attraction to him – a magnetic kind of force pulling me towards him. I know what you're thinking...that sounds fairly awesome. Yeah, it would be...if he liked me, but Reed acts as if I'm the worst thing that has ever happened to Crestwood...or him. But get this, for some reason every time I turn around he's there, barging into my life. What is the secret that he's keeping from me? I'm hoping that it's anything but what I suspect: that he's not exactly normal...and neither am I. So, maybe Crestwood won't be the making of me, but it could be the breaking of me. I've been left to wonder if the dark future my dream is foretelling is...inescapable.

I don't open my eyes so I can't see him, but I can smell him. He thickens the air I breathe, choking me with his scent...his aroma. I shiver. I have to resist. If I'm not strong, then I will be relegated to the same fate as this predator whose sickness infects me even now. But now, I crave him and he knows that; he has been counting

on my need to end the gnawing pain. How he would savor my surrender. I'm alive, but how much longer will it take until I beg him not to be?

Winner of four 2014 UtopYA Awards, including Best Book of the Year and Best Sci-Fi Book of the Year *Kricket Hollowell* never wished upon stars. She was too busy hiding in plain sight, eluding Chicago's foster care system. As her eighteenth birthday approaches, she now eagerly anticipates the day she'll stop running and finally find her place in the world. That day comes when she meets a young Etharian soldier named *Trey Allairis*, who has been charged with coming to Earth to find *Kricket* and transport her to her true home. As danger draws close, he must protect her until she can wield the powers she cannot use on Earth...and he soon realizes that counting a galaxy of stars would be easier than losing this extraordinary girl. *Kyon Ensin* knows the powerful depths of *Kricket's* gifts--gifts he'll control when he takes her for his tribe and leads the forces that will claim *Ethar* and destroy his enemies, starting with *Trey Allairis*. Now, *Kricket* faces the most difficult choice of her life: whether to wage a battle for survival, or a fight for love.

The highly anticipated sequel to "*Under Different Stars*," nominated for eight 2015 utopYA Awards, including Best Book of the Year and Best Sci-Fi Book of the Year. Eighteen-year-old *Kricket Hollowell* was looking for her place in the world when she discovered that the universe was bigger and more dangerous than she had ever dreamed. Now, whisked across space to the planet *Ethar*, *Kricket* learns that her

genetic ability to see the future makes her a sought-after commodity and the catalyst for war between her star-crossed parents clans. According to Alameedan prophecy, one house will rise to power and the other will be completely wiped out, and Cricket's precognition is believed to be the weapon that will tip the scales. A target of both the Rafe and the Alameeda houses, Cricket finds protection and a home in the arms of Trey, her Etharian bodyguard-turned-boyfriend. But her visions of what's to come disturb her deeply, especially since she must discover whether the gift of foresight will allow her to rewrite the future, or if her fate is as immovable as the stars. "

Kyon Ensin finally has what he's always wanted: possession of Cricket Hollowell, the priestess who foresees the future. Together, their combined power will be unrivaled. Cricket, however, doesn't crave the crown of Ethar--she has an unbreakable desire to live life on her own terms, a life that she desperately wants to share with her love, Trey Allairis. As conspiracies rage in the war for Ethar, Cricket's so-called allies want to use her as a spy. Even those held closest cannot be trusted--including Astrid, her sister, and Giffen, a member of a mysterious order with a hidden agenda. But Cricket's resolve will not allow her to be used as anyone's pawn, even as the Brotherhood sharpens its plans to cut out her heart. As the destiny prophesied by her mother approaches, Cricket will backtrack through her fiery future to reshape it. For she knows one thing above all else: the only person she can truly count on is herself.

Cicero composed his incendiary Philippics only a few months after Rome was rocked by the brutal assassination of Julius Caesar. In the tumultuous aftermath of Caesar's death, Cicero and Mark Antony found themselves on opposing sides of an increasingly bitter and dangerous battle for control. Philippic 2 was a weapon in that war. Conceived as Cicero's response to a verbal attack from Antony in the Senate, Philippic 2 is a rhetorical firework that ranges from abusive references to Antony's

supposedly sordid sex life to a sustained critique of what Cicero saw as Antony ' s tyrannical ambitions. Vituperatively brilliant and politically committed, it is both a carefully crafted literary artefact and an explosive example of crisis rhetoric. It ultimately led to Cicero ' s own gruesome death. This course book offers a portion of the original Latin text, vocabulary aids, study questions, and an extensive commentary. Designed to stretch and stimulate readers, Ingo Gildenhard ' s volume will be of particular interest to students of Latin studying for A-Level or on undergraduate courses. It extends beyond detailed linguistic analysis to encourage critical engagement with Cicero, his oratory, the politics of late-republican Rome, and the transhistorical import of Cicero ' s politics of verbal (and physical) violence.
