"Inside the Whale" is an essay in three parts written by George Orwell in 1940. It is primarily a review of Tropic of Cancer by Henry Miller with Orwell discursing more widely over English literature in the 1920s and 1930s. The biblical story of Jonah and the whale is used as a metaphor for accepting experience without seeking to change it, Jonah inside the whale being comfortably protected from the problems of the outside world. It was published, alongside two other pieces by Orwell, 11 March 1

The passive attitude will come back, and it will be more consciously passive than before. Progress and reaction have both turned out to be swindles. Seemingly there is nothing left but quietism — robbing reality of its terrors by simply submitting to it. Get inside the whale — or rather, admit you are inside the whale (for you are, of course). Give yourself over to the world-process, stop fighting against it or pretending that you control it; simply accept it, endure it, record it.

Inside The Bizarre True Story Of Oregon's Exploding Whale. In November 1970, the town of Florence, Oregon decided to blow up an 8-ton whale carcass that had washed up on the beach. The results were truly explosive. YouTube Half a ton of dynamite was used in the infamous exploding whale incident. On November 12, 1970, residents of the small town of Florence, Oregon witnessed a rare sight as an exploding whale sent chunks of meat and blubber soaring 100 feet into the sky.
