Tonneau Covers Installation Steps. The first thing you'll want to do is select the tonneau cover that's the best fit for your needs and for your truck. See below for more info about which tonneau is best for you. Attach the rails that came with your tonneau cover to your bed.

How to Install a Tonneau Cover: A Guide to Truck Bed Cover ...

However, it would appear to be common practice for tonneau covers to be shipped for the customer to install themselves or for the customer to employ the services of another party to do the fitment. They do come with installation instructions but some of the more fancy covers will need some expert installation and it's recommended a local supplier and fitter be found to do the job right.
