In the middle years of the ninth century, the fierce Danes stormed onto British soil, hungry for spoils and conquest. Kingdom after kingdom fell to the ruthless invaders until but one realm remained. And suddenly the fate of all England—and the course of history—depended upon one man, one king. New York Times bestselling author Bernard Cornwell's *The Last Kingdom* is a rousing epic adventure of courage, treachery, duty, devotion, majesty, love, and battle as seen through the eyes of a ...

The Last Kingdom (Last Kingdom Series #1) (Saxon Tales ...

A collection of the first four installments of Bernard Cornwell's bestselling series chronicling the epic saga of the making of England, "like *Game of Thrones*, but real" (The Observer, London)—the basis for *The Last Kingdom*, the hit television series.

THE FIRST THREE KINGDOM BOOKS, ALL TOGETHER IN ONE COLLECTION. INCLUDED DELETED BONUS SCENES AND ALICE HU'S RED QUEEN'S REVENGE CUPCAKE RECIPIE! Her Mad Hatter: Alice is all grown up. Running the Mad Hatter's Cupcakery and Tea Shoppe is a delicious job, until fate--and a fairy godmother with a weakness for bad boys--throws her a curveball. Now, Alice is the newest resident of Wonderland, where the Mad Hatter fuels her fantasies and thrills her body with his dark touch. The Mad Hatter may have a voice and a body made for sex, but he takes no lovers. Ever. But a determined fairy godmother has forced Alice into Wonderland--and his arms. Now, as desire and madness converge, the Hatter must decide if he will fight the fairy godmother's mating--or fight for Alice. Gerard's Beauty: A not so classic retelling of Beauty and the Beast, as seen through the eyes of the villain... Betty Hart has had it with men. Jilted in love, her life now consists of shelving books by day, watching too much Anime by night, and occasionally dressing up like a superhero on the weekends with her fellow ?Bleeding Heart? nerds. Men are not welcome and very much unwanted. Especially the sexy Frenchman who saunters into her library reeking of alcohol and looking like he went one too many rounds in the ring. Gerard Caron is in trouble. Again. Caught with his pants down (literally) he's forced to seek asylum on Earth while his fairy godmother tries to keep Prince Charming from going all ?Off with his head?. Maybe, messing around with the King's daughter hadn't been such a great idea after all, not that Gerard knew the silly redhead was a princess. But his fairy godmother knows the only way to save his life is to finally pair Gerard with his perfect mate, whether he's willing or not. From the moment Gerard lays eyes on the nerdy librarian he knows he must have her, but Betty is unlike any woman he's ever known. He thought Betty would come as willingly to his bed as every other woman before her, but she is a woman who demands respect and even? horror of all horrors? love. Is it possible for a self-proclaimed Casanova to change his ways? Red and Her Wolf: Long ago there lived a beautiful child. Her name was Violet. Fair of skin, with blonde hair and large blue eyes. Born of wild magic, she was a woman with a child's heart. Innocent and lovely, but not at all what she seemed--you see Violet went by another name: The Heartsong. She was the child of fairy magic, the physical manifestation of all fae kinds unbridled power. Cosseted and pampered, she grew up in isolation, never knowing who she really was, or why there were those who?d seek to harm her.

## Acces PDF Kingdom Series Collection Books 1 3 Marie Hall

Ewan of the Blackfoot Clan is a wolf with a problem. He's been sent to kill the Heartsong, but the moment he lays eyes on the blonde beauty he knows he'll defy the evil fae he works for to claim Violet as his own. This is the tale of Little Red Riding Hood and the Big Bad Wolf, as it really happened...

A Riveting Medieval Parallel to the Bible Good and evil clash. Leinad and Cedric are determined to not only survive, but claim hope and victory! In Kingdom's Dawn, Leinad and Tess, along with all the king's people, must escape slavery by the powerful Lord Fairis. Kingdom's Hope finds them free and arriving in the Chessington Valley. But when they forget the king, will Kergon and the Kessons capture them for good? After many years, Kingdom's Edge finds Cedric living a hopeless life until a stranger appears with powerful words of a new kingdom and a grand army. Finally, Kingdom's Reign marches you through the danger of earth's last days as the evil dark knight threatens to defeat the prince once and for all. Swords, knights, and battles define these captivating tales that parallel biblical events from Genesis to Revelation! He's just a young man, but that doesn't change the truth. He was chosen... Sixteen-year-old Leinad thought he was a common farmer's son, nothing more. He wondered why his father had trained him for years to master the sword—not exactly a tool of the trade for farmers—but one tragic event initiates a world of revelation. Only then does he begin to understand his calling—a calling no other man in the entire kingdom of Arrethtrae can fulfill—a calling given him by the King himself. Teamed with a young slave girl, Leinad is thrust into adversity and danger—for the Dark Knight and his vicious Shadow Warriors will stop at nothing to thwart the King's plan to restore the kingdom. Leinad will need more than a sharp blade and a swift hand to fulfill his mission and survive the evil plots of the King's sworn enemies! Journey to Arrethtrae, where the King and His Son implement a bold plan to save their kingdom; where courage, faith, and loyalty stand tall in the face of opposition; where good will not bow to evil—and the future of a kingdom lies in the hands of a young man. DISCUSSION QUESTIONS INCLUDED Story Behind the Book "When my six kids' eyes glossed over during a reading from the Bible, I paused to explain the significance of redemption to a sin-sick soul. I was rewarded with patronizing elephant nods and more blank stares. Shortly thereafter, I awoke in the middle of the night with a medieval story enveloping my mind. I wrote it down and later read it to my children. Their waning attention transformed into complete anticipation. I was amazed and disappointed. Why did it take a fictional story, not a Bible passage, to get that response? Then I realized—that is how Jesus taught! Parables are powerful! I penned the Kingdom series to help young people get excited about the supremely significant story of Jesus Christ and His mission to save mankind." — Chuck Black

Start the epic journey today. This is the ultimate collection: the first six books in the epic and bestselling series that has gripped millions. A hero will be forged from this broken land. As seen on Netflix and BBC around the world.

A collection of the first four installments of Bernard Cornwell's bestselling series chronicling the epic saga of the making of England, "like Game of Thrones, but real" (The Observer, London)—the basis for The Last Kingdom, the hit television series. The ultimate collection of books 1-8 in the epic and bestselling series that has gripped millions. A hero will be forged from this broken land. As seen on Netflix and BBC around the world.

Collecting books 1-3 of the New York Times best-selling series! When Disney Imagineers installed hologram guides for the Magic Kingdom using five teenage models, they had no idea the technology might backfire. But backfire it did: some nights when the kids go to sleep, they wake up in one of the Disney parks as a hologram. Soon the five young teens find themselves pitted against Disney villains and witches that threaten both the future of Walt Disney World and the stability of the world outside its walls. As this fantastical thriller evolves, Finn and his friends must use their new skills to protect other Disney Parks, traveling to the Animal Kingdom, Hollywood Studios, Epcot, and more! This gripping high-tech tale will thrill every kid who has ever dreamed of sneaking into Disney parks after hours or wondered what happens at night when the parks are closed.

In this brilliant debut fantasy, a story of secrets, rebellion, and murder are shattering the Hollows, where magic costs memory to use, and only the son of the kingdom's despised traitor holds the truth. Michael is branded a traitor as a child because of the murder of the king's nine-year-old son, by his father David Kingman. Ten years later on Michael lives a hardscrabble life, with his sister Gwen, performing crimes with his friends against minor royals in a weak attempt at striking back at the world that rejects him and his family. In a world where memory is the coin that pays for magic, Michael knows something is there in the hot white emptiness of his mind. So when the opportunity arrives to get folded back into court, via the most politically dangerous member of the kingdom's royal council, Michael takes it, desperate to find a way back to his past. He discovers a royal family that is spiraling into a self-serving dictatorship as gun-wielding rebels clash against magically trained militia. What the truth holds is a set of shocking revelations that will completely change the Hollows, if Michael and his friends and family can survive long enough to see it.

ACTION. ADVENTURE. ROMANCE. A princess becomes a warrior, indulges in forbidden romance, and rules an empire in an epic fantasy saga inspired by Aladdin and the 1001 Arabian Nights. Princess Bennua is betrothed to a foreigner in a far-away land, until a prince of thieves comes to claim her for himself. Kidnapped and brought to a desert of mystery and wonder, Bennua finds herself the master of a djinn trapped within a magic lamp... and in love with a man who's as secretive as he is dangerous. Her travels take her to lands of ancient pharaohs and dark crypts, to illustrious palaces and jungles filled with mythical beasts. Bennua finds herself in service of an ancient deity, a fire god who is at war with the devil, and in the middle of a fight where angels battle kings and monsters devour men. Swords clash, magic ignites, and sultans fall. One girl has the power to save the world, and she will bring the desert to its knees with her bravery... her strength... and her love. With thousands of copies in the hands of readers, The Kingdom Saga is an emotional story of true love, redemption, and faith featuring a strong heroine, a handsome prince and a lovable djinn.

Timid Fennlock the fox and eager newcomer Penny the pig team up to follow clues and track animals that have disappeared from Wild Zoo Yonder, becoming the first Zoo Patrol Squad. Includes facts about fennec foxes, naked mole rats, swine, and otters.

Game of Thrones fans will love the New York Times bestselling Abhorsen series. Sabriel, the first installment in the series, launched critically acclaimed author Garth Nix onto the fantasy scene as a rising star. This collection gathers all four titles in the popular series, including the long-awaited prequel, Clariel. Sabriel: Since childhood, Sabriel has lived outside the walls of the Old Kingdom, away from the power of Free Magic, and away from the Dead who refuse to stay dead. But now her father, the Abhorsen, is missing, and Sabriel must cross into that world to find him. There she confronts an evil that threatens much more than her life and comes face-to-face with her own hidden destiny. . . . Lirael: Lirael has never felt like a true daughter of the Clayr. She doesn't even have the Sight—the ability to see into possible futures—that is the very birthright of the Clayr. Nevertheless she must undertake a desperate mission under the growing shadow of an ancient evil—one that threatens to break the very boundary between Life and Death itself. With only her faithful companion, the Disreputable Dog, to help her, Lirael must find the courage to seek her own hidden destiny. Abhorsen: The Abhorsen Sabriel and King Touchstone are missing, leaving only Lirael—newly come into her inheritance as the Abhorsen-in-Waiting—to stop the Destroyer. With only a vision from the Clayr to guide her, Lirael must search in both Life and Death for some means to defeat the evil destructor—before it is too late. . . . Clariel: Clariel is the daughter of one of the most notable families in the Old Kingdom, with blood relations to the Abhorsen and, most important, to the King. She dreams of living a simple life but discovers this is hard to achieve when a dangerous creature is loose in the city and there is a plot brewing against the King. When Clariel is drawn into the efforts to find and capture the creature, she finds hidden sorcery within herself, yet it is magic that carries great dangers.
