Abandoned by his pack, a baby wolf with a mysterious mark on his deformed paw survives and embarks on a journey that will change the world of the wolves of the Beyond.

From bestselling author Katherine Lasky comes the first book in WOLVES OF THE BEYOND, a stunning new spinoff from her legendary owl series, Guardians of Ga'hoole. A wolf mother has given birth, but the warm bundle snuffling next to her brings only anguish. The pup, otherwise healthy, has a twisted leg, and the mother knows what the harsh code of the pack demands. Her pup will be taken from her and abandoned on a desolate hill. The pack cannot have weakness - the wolf mother knows that her pup is condemned to die. But alone in the wilderness, the pup, Faolan, does not perish. This his story - a story of survival, of courage, and of love triumphant. This is Faolan's story, the wolf pup who rose up to change forever the Wolves of the Beyond.

After earning the right to return to the wolf pack that abandoned him, the exiled Faolan joins the clan as a lowly "gnaw wolf," but his goal of rising in the pack order is threatened when a jealous rival frames him for an unspeakable crime.

The second installment in bestselling author Kathryn Lasky's staggering WOLVES OF THE BEYOND series, a spinoff of the legendary Guardians of Ga'Hoole books. The wolf pup Faolan was born with a twisted paw, a slight defect that caused his wolf clan to abandon him in the forest to die. But Faolan, with the help of the grizzly bear who raised him as her own, survived. Now he's made it back to his clan as a gnaw wolf, the lowest ranking pack member. And the hardships are just beginning. Another gnaw wolf, Heep, is jealous of Faolan and sets him up for failure. As if these humiliations are not enough, Faolan is framed for the murder of a wolf pup. Faolan must catch the culprit in time and prove he deserves to be a full member of the clan.

When earthquakes and erupting volcanoes strike the Beyond, Faolan and the other surviving wolves must head for the Distant Blue, where they hope to find a new home.

When a terrible danger threatens the wolves of the Beyond, outsider Faolan must take a leadership role and inspire the pack to stand together.

Faolan, poised to take his place as a member of the revered Wolves of the Watch, may be the only one who can stop Dunbar MacHeath and his clan from provoking a war between the Watch and the bears.

Bestselling author Kathryn Lasky's hit series - a stunning spin-off set among the wolves of Ga'hoole. Faolan has always been an outsider. Exiled as a pup, then shunned by his fellow wolves for his unusual connection to the bears, Faolan has struggled to earn a place in the pack. But a terrible danger is looming on the horizon, and Faolan is the only one who knows how to fight it. Will he be able to claim his rightful place as leader? Unless Faolan can inspire the pack to stand together, it could be the end of the wolves of the Beyond.

The Ring of Sacred Volcanoes has been destroyed and Faolan is leading his small band of wolves across the ice bridge to the hoped for safety of the Distant Blue--but his old enemy Heep is pursuing him and the icy path ahead is filled with danger.

The latest in Kathryn Lasky's hit series - a stunning spin-off set among the wolves of Ga'hoole. A great cold has seized the Beyond. The warmth of summer, the smell of sweet grass and the great caribou migrations are distant memories. Now the wolves know only ice, dark, snow and endless cold. The order that kept the wolf clans strong for thousands of years has broken down completely. The wolves have only one chance for survival. They must find their way to a new land, a land of warmth and summer. But the journey will take them over a frozen sea and through thousands of miles of perilous territory. Will the wolves trust young Faolan to lead them?
