I picked up Look who it is!:
My Story by Alan Carr as I
do all autobiographies
because I like the person or
they interest me. The book
follows Alan's life as an
awkward child to just when
his comedy career is really
taking off. Of which he is
very honest about - which I
love.

There are teardrops in my eyes and my heart is about to break. Well, look who it is with his hand reaching out for mine. Well, look who it is, everything's gonna turn out fine. Oh, I have waited so long and prayed that I meet you. You with all your charms. Look who it is it's you and you're in my arms. Woe, look who it is. It's you and you're in my arms.
