Conformance

Report Template

Excel

Access Free

Non

Non conformance report refers to an important report raised in times of Quality Auditing of a company and it states where the company has violated the quality system regulations and policies. It also states what

Access Free

Non

the company would do to address customer grievance in terms of quality. Now, such a report (Report Card Templates) is usually detailed and lengthy and it takes a great deal of time to create it.

Non conformances
are problems
that have been
found and need
be addressed.

Page 35/53

Access Free

Non

They can be found anywhere - in a product, in service

delivery, in work execution, in a process or even in the

Quality

Management

System itself.

They are a core pillar of a

Quality

Access Free

Non

Management

System (QMS) .

Report Template Excel

The QMS will require you to document and maintain a record of non-conformances, actions taken to address the issue and record of close-out of the issue.
