A complete guide to the ancient technique of Ruesri Dat Ton, also known as Thai yoga • Presents 60 step-by-step, illustrated exercises for self-healing and balanced well-being • Reveals the practice and evolution of Thai yoga, said to have originated with Buddha's physician, Jivaka Kumarabhaccha • Explains how the postures allow individuals to rebalance the flow of energy in the body Traditional Thai yoga--or Ruesri Dat Ton--is an individual yoga practice rooted in the ancient Ayurvedic tradition. It is comprised of exercises that--like the partnered practice of traditional Thai massage--originated with Buddha's own physician, Jivaka Kumarabhaccha. Enrico Corsi and Elena Fanfani present, for the first time in English, 60 of these postures fully illustrated with step-by-step instructions designed to stimulate self-healing by rebalancing the flow of energy in the body. Each of the postures works within the sen energy system that underlies Thai medicine. Fundamental to the practice is retention of the breath once the body has assumed the desired posture. The practitioner concentrates the breath on the place where the body is storing tension or dysfunction. When the breath is exhaled the body also expels the negative energy, allowing restorative energy to take its place. The simple yet highly effective postures in Traditional Thai Yoga address many common ailments--including physical ailments of the back, knees, shoulders, hips, arms, feet, and neck and more generalized ailments such as nausea and shortness of breath--as well as offering exercises that promote weight loss, longevity, and overall balanced well-being.

There's nothing Maddie loves more than fabulous vintage clothes, but the visions she gets while touching them are starting to wear her

down. Even so, when a beautifully dressed girl comes to Vintage Magic in search of her past, Maddie isn't about to turn her away, especially since she bears a striking resemblance to her good friend Dolly Sweet. When Maddie touches Paisley Skye's exquisitely crafted child's cloak, the vision she receives is of the ugliest sort: a decades-old case of kidnapping and murder. To give herself more time to investigate, Maddie enlists the help of her FBI Agent boyfriend Nick and takes Paisley into her home. But when Dolly suddenly skips town, Maddie realizes that uncovering the folds of Paisley's past will reveal more than one vintage crime...

Here's a great vocabulary program that is equally appropriate for younger students working at grade level and older students who have "forgotten" or never mastered the basics. The friendly look and tone of this series belies the comprehensive sweep of the instructional sequence. Every topic--from primary level phonics to the specialized terminology of essay tests--is developed "from the ground up." Includes answer key, 144-pages. Contents include: Synonyms/Antonyms, Base Words, Word Attack Skills, Dictionary Entries, Affixes, Contractions/Possessives.

The Unquenchable Worshipper issues a passionate call for a return to an unadulterated, first-love lifestyle of worship. In his first book release, respected worship leader and songwriter Matt Redman writes: "The revelation of God is the fuel for the fire of our worship. And there is always more fuel for the fire. When we open the eyes of our heart, God's revelation comes flying at us from so many different angles." Open the eyes of your heart and let the gut-level message of The Unquenchable Worshipper cause you, like martyred missionary Jim Elliot, to say, "Saturate me with the oil of Thy Spirit, that I may be aflame. Make me Thy fuel O flame of God." It's time to dive into the heart of worship--will you take the plunge?

Bugs Rule! provides a lively introduction to the biology and natural history of insects and their noninsect cousins, such as spiders, scorpions, and centipedes. This richly illustrated textbook features more than 830 color photos, a concise overview of the basics of entomology, and numerous sidebars that highlight and explain key points. Detailed chapters cover each of the major insect groups, describing their physiology, behaviors, feeding habits, reproduction, human interactions, and more. Ideal for nonscience majors and anyone seeking to learn more about insects and their arthropod relatives, Bugs Rule! offers a one-of-a-kind gateway into the world of these amazing creatures. Places a greater emphasis on natural history than standard textbooks on the subject Covers the biology and natural history of all the insect orders Provides a thorough review of the noninsect arthropods, such as spiders, scorpions, centipedes, millipedes, and crustaceans Features more than 830 color photos

Highlights the importance of insects and other arthropods, including their impact on human society An online illustration package is available to professors

Now in its ninth edition, *Philosophy: The Power of Ideas* offers a comprehensive overview of Western Philosophy, Eastern Influences, Feminist Philosophy, and Postcolonial thought. Known for its engaging, conversational writing style, each chapter provides clear introductions to even the most difficult philosophical concepts and includes selected primary readings from some of the most important thinkers of all time. Throughout the book, the authors link philosophical ideas to historical developments that affect the lives of everyday people.

Collects strange-but-true anecdotes, heartwarming stories, and humorous interactions with patrons from a public librarian.

Welcome to the mind-to the world-of Fake Steve Jobs. Fake Steve the counterintuitive management guru: "Obviously we can't literally put our employees' lives at risk. But we have to make them feel that way." Fake Steve the celebrity hobnobber: "I like Bono. He's the only person I know who's more self-absorbed than I am." *Options* is the book that had the critics howling-with laughter: "A voice for our own digital age....Mac-slappingly funny."-Newsweek.com "Hilarious."-New York Times "There's a laugh-out-loud moment on nearly each one of the book's pages."-Wall Street Journal "Wickedly funny."-San Francisco Chronicle
