The Portraits in Rhythm Study Guide contains a detailed analysis of the fifty snare drum etudes from Portraits in Rhythm. The observations and interpretations represent many years of performing and teaching. This comprehensive study guide gives you the author's insight on how to maximize the exercises, and it inspires skills which will carry over to other compositions and performances.

Fifty advanced studies for timpani consisting of the maximum in rhythmical interest and dynamics. Based on the rhythms of Portraits in Rhythm for snare drum, these etudes make excellent pieces for exams or recitals.

Alfred's Drum Method, Books 1 and 2 are the ideal teaching tools to help prepare beginning players for all styles of snare drum and percussion performance. Book 1 contains 80 pages of sequential instruction covering rudimental studies, roll studies, contest solos, and bass drum and cymbal technique. Book 1 also includes 23 solos suitable for recitals and contests. Book 2 is much more than just a snare drum method! It continues the learning process by covering additional rudimental studies, tonal properties of the snare drum, theme and variations, musical forms, solos and duets. Book 2 also covers traditional rudimental style, corps style (by Jay Wanamaker), orchestral style, accessory instruments, and multiple-percussion techniques. The DVD includes demonstrations of all the rudiments and accessory instruments, plus solo performances by the authors. This title is available in SmartMusic.

All 26 of the Standard American Drum Rudiments, their variations and a number of compound rudiments are used here to establish the countless possibilities which present themselves within the bounds of the drumming rudiments. The interesting library contains titles such as: * Stomping Through the Bar Line * Gingersnap * Ruffing up a Storm * No Left Flam 6/8

Fifty advanced studies for xylophone or marimba allowing for maximum rhythmical interest. These solos are based on the rhythms of Portraits in Rhythm for snare drum.

This book contains supplementary studies at an advanced level which are expressively prepared to improve sight reading ability and technique. This book is geared towards the percussionist already familiar with the rudiments of drumming.
