SCIENTISTS, Fourth Edition, continues the approach that has made previous editions

successful. As a teacher and researcher at a premier engineering school, author Tony Hayter is in touch with engineers daily--and understands their vocabulary.

Scientists is helpful, as it provides the actual solutions rather than only the answers which appear in the appendix, and the solutions are of a relatively good quality. However, the solutions manual skips numerous problems (only a few of each variety, instead of odds or etc) making it of less utility than expected.

for engineering or  
science majors. Ross  
emphasizes the manner  
in which probability  
yields insight into  
statistical problems;  
ultimately resulting in  
an intuitive  
understanding of the  
statistical procedures  
most often used by  
practicing engineers and  
scientists.
