S. is a 2013 novel written by Doug Dorst and conceived by J. J. Abrams. The novel is unusual in its format, presented as a story within a story. It is composed of the novel Ship of Theseus by a fictional author, and hand-written notes filling the book's margins as a dialogue between two college students hoping to uncover the author's mysterious identity and the novel's secret plus loose supplementary materials tucked in between pages.

By J.J. Abrams is a beautiful hardback carefully distressed to look like an old Library book with its old book smell and stuffed full of notes, postcards, papers and bits and pieces. When I received this book in the post I was pleasantly suprised with the faboulus concept and design. I loved the idea and could not wait to start this novel.
