A major new Southern voice emerges in this novel about a town divided by the aftermath of a tragic accident--and the woman caught in the middle
When a twelve-year-old girl drowns in the Tamassee River and her body is trapped in a deep eddy, the people of the small South Carolina town that bears the river's name are thrown into the national spotlight. The girl's parents want to attempt a rescue of the body; environmentalists are convinced the rescue operation will cause permanent damage to the river and set a dangerous precedent. Torn between the two sides is Maggie Glenn, a twenty-eight-year-old newspaper photographer who grew up in the town and has been sent to document the incident. Since leaving home almost ten years ago, Maggie has done her best to avoid her father, but now, as the town's conflict opens old wounds, she finds herself revisiting the past she's fought so hard to leave behind. Meanwhile, the reporter who's accompanied her to cover the story turns out to have a painful past of his own, and one that might stand in the way of their romance. Drawing on the same lyrical prose and strong sense of place that distinguished his award-winning first novel, One Foot in Eden, Ron Rash has written a book about the deepest human themes: the love of the land, the hold of the dead on the living, and the need to dive beneath the surface to arrive at a deeper truth. Saints at the River confirms the arrival of one of today's most gifted storytellers.

Maggie Glenn, a newspaper photographer sent to cover an incident in her hometown, becomes caught in the middle of the conflict, opening old wounds and forcing her to revisit a past she wanted to leave behind. 35,000 first printing.

This is the story of the miners and the union they wanted, of the people who loved them and the people who wanted to kill their dreams. Annaded, West Virginia, was a small town rich in coal, farms, and close-knit families, all destroyed when the coal company came in. It stole everything it hadn't bothered to buy—land deeds, private homes, and ultimately, the souls of its men and women. Four people tell this powerful, deeply moving tale: Activist Mayor C. J. Marcum. Fierce, loveless union man Rondal Lloyd. Gutsy nurse Carrie Bishop, who loved Rondal. And lonely, Sicilian immigrant Rosa Angetelli, who lost four sons to the deadly mines. They all bear witness to nearly forgotten events of history, culminating in the final, tragic Battle of Blair Mountain—when the United States Army greeted ten thousand unemployed pro-union miners with airplanes, bombs, and poison gas. It was the first crucial battle of a war that has yet to be won.

Travis Shelton is seventeen the summer he wanders into the woods onto private property outside his North Carolina hometown, discovers a grove of marijuana large enough to make him some serious money, and steps into the jaws of a bear trap. After hours of passing in and out of consciousness, Travis is discovered by Carlton Toomey, the wise and vicious farmer who set the trap to protect his plants, and Travis's confrontation with the subtle evils within his rural world has begun. Before long, Travis has moved out of his parents' home to live with Leonard Shuler, a one-time schoolteacher who lost his job and custody of his daughter years ago, when he was framed by a vindictive student. Now Leonard lives with his dogs and his sometime girlfriend in a run-down trailer outside town, deals a few drugs, and studies journals from the Civil War. Travis becomes his student, of sorts, and the fate of these two outsiders becomes increasingly entwined as the community's terrible past and corrupt present bear down on each of them from every direction, leading to a violent reckoning—not only with Toomey, but with the legacy of the Civil War massacre that, even after a century, continues to divide an Appalachian community. Vivid, harrowing yet ultimately hopeful, The World Made Straight is Ron Rash's subtlest exploration yet of the painful conflict between the bonds of home and the desire for independence.

In 1950's Appalachian South Carolina, sheriff William Alexander must solve the disappearance of Holland Winchester amid a backdrop of infidelity, jealousy, betrayal, and a valley filling with water behind a new dam.

Ron Rash, PEN/Faulkner finalist and New York Times bestselling author of Serena and The Cove, has been called "a gorgeous writer" (Richard Price) with a "reputation for writerly miracles" (Janet Maslin, The New York Times), and is been heralded as "one of our very finest novelists" (Richard Russo). Now comes an exclusive eSingle featuring a never-before-published short story that shows the lyrical and masterful RonRash at his very best. My Father Like a River transcends the haunting landscape of Rash's native south and explores the complex, powerful relationship between father and family, and the authentic sense of loss one experiences while unemployed—all told in vivid, potent prose. Also includes Ron's short story "The Trusty", which was originally published in The New Yorker.

The year is 1929, and newlyweds George and Serena Pemberton travel from Boston to the North Carolina mountains where they plan to create a timber empire. Although George has already lived in the camp long enough to father an illegitimate child, Serena is new to the mountains—but she soon shows herself to be the equal of any man, overseeing crews, hunting rattle-snakes, even saving her husband's life in the wilderness. Together this lord and lady of the woodlands ruthlessly kill or vanquish all who fall out of favor. Yet when Serena learns that she will never bear a child, she sets out to murder the son George fathered without her. Mother and child begin a struggle for their lives, and when Serena suspects George is protecting his illegitimate family, the Pembertons' intense, passionate marriage starts to unravel as the story moves toward its shocking reckoning. Rash's masterful balance of violence and beauty yields a riveting novel that, at its core, tells of love both honored and betrayed.

Spanning the entire twentieth century, a collection of short stories, set against the backdrop of Appalachia, chronicles the struggle of rural communities with the changes of the modern world, capturing the collision between the Old and New South in the lives of the region's inhabitants. Original. 20,000 first printing.

"River Jordan's Saints in Limbo is a compelling story of the mysteries of existence and, specially, the mysteries of the human heart."—Ron Rash, author of Serena and Chemistry and Other Stories
"I lose myself in River's writing—transported to a different time and place—and in this case, to one that makes the ordinary mystical and magical. Book Sharing Guide to Life Ever since her husband Joe died, Velma True's world has been limited to what she can see while clinging to one of the multicolored threads tied to the porch railing of her home outside Echo, Florida. When a mysterious stranger appears at her door on her birthday and presents Velma with a special gift, she is rattled by the object's ability to take her into her memories—a place where Joe still lives, her son Rudy is still young, unaffected by the world's hardness, and the beginning is closer than the end. As secrets old and new come to light, Velma wonders if it's possible to be unmoored from the past's deep roots and find a reason to hope again. Praise for River Jordan

Winner of the 2020 Thomas Robinson Prize for Southern Literature
"Mesmerizing...He's one of the best living American writers."—Janet Maslin, New York Times
Book Review From bestselling and award-winning writer Ron Rash ("One of the great American authors at work today."--The New York Times) comes a collection of ten sear stories and the return of the villainess who propelled Serena to national acclaim, in a long-awaited novella. Ron Rash has long been a revered presence in the landscape of American letters. A virtuosic novelist, poet, and story writer, he evokes the beauty and brutality of the land, the relentless tension between past and present, and the unquenchable human desire to be a little bit better than circumstances would seem to allow (to paraphrase Faulkner). In these ten stories, Rash spins a haunting allegory of the times we live in--rampant capitalism, the severing of ties to the natural world in the relentless hunt for profit, the destruction of body and soul with pills meant to mute our pain--and yet within this world he illuminates acts of extraordinary decency and heroism. Two of the stories have already been singled out for accolades: "Baptism" was chosen by Roxane Gay for inclusion in The Best American Short Stories 2018, and "Neighbors" was selected by Jonathan Lethem for The Best American Mystery Stories 2019. And in revisiting Serena Pemberton, Rash updates his bestselling parable of greed run amok as his deliciously vindictive heroine returns to the North Carolina wilderness she left scarred and desecrated to make one final effort to kill the child that threatens all she has accomplished. "A gorgeous, brutal writer" (Richard Price) working at the height of his powers, Ron Rash has created another mesmerizing look at the imperfect world around us.
