Section 7 of the Charter requires that laws or state actions that interfere with life, liberty and security of the person conform to the principles of fundamental justice — the basic principles that underlie our notions of justice and fair process (*Charkaoui v. Canada (Citizenship and Immigration)*, [2007] 1 SCR 350 at paragraph 19).

Charterpedia - Section 7 - Life, liberty and security of ...

Under Section 7, Federal agencies must consult with the U.S. Fish and Wildlife Service (Service) when any action the agency carries out, funds, or authorizes (such as through a permit) may affect a listed endangered or threatened species. This process usually begins as informal consultation. In the early stages of project planning, for example, a Federal agency approaches the Service and requests informal consultation.

U.S. Fish and Wildlife Service - Ecological Services

Section 7 of the Canadian Charter of Rights and Freedoms is a constitutional provision that protects an individual's autonomy and personal legal rights from actions of the government in Canada. There are three types of protection within the section: the right to life, liberty and security of the person. Denials of these rights are constitutional only if the denials do not breach what is referred to as fundamental justice. This Charter provision provides both substantive and procedural rights. It

Interfering with employee rights (Section 7 & 8 (a) (1)) Employees have the right to unionize, to join together to advance their interests as employees, and to refrain from such activity. It is unlawful for an employer to interfere with, restrain, or coerce employees in the exercise of their rights. For example, employers may not respond to a union organizing drive by threatening, interrogating, or spying on pro-union employees, or by promising benefits if they forget about the union.
