"The Justice Killer There's a twisted serial killer stalking the streets of New York City, dealing his own perverse version of justice. He kills swiftly and silently, leaving his calling card--a red "J"--on the bodies of his prey. His victims have one thing in common: they've all been jurors in the city's most infamous cases--cases in which the killer was found "not guilty." Overnight, the Justice Killer has the city in a stranglehold. And there's only one man who has a shot at finding him . . . Homicide detective Artemis Beam made his reputation hunting down serial killers. After getting shot by an armed robber--and stepping on the wrong toes in the NYPD--he's been retired. The city needs him now, and finding the killer is his chance to get back into the life he loves. As the body count climbs and the city's legal system fails, the Justice Killer thinks he's outsmarted the cops. But

Methodical and highly skilled, the killer is always one step ahead, able to enter buildings without detection and leave no trace behind. To stop this deadly rampage, Horn must unlock the secrets of a cunning enemy who is saving his most shocking surprises for last. . . She wears Allie's clothes, even buys a wig in Allie's color and style. Then the obscene phone calls begin, Allie's credit cards vanish, and she discovers Hedra is living a dangerous double life. . . and far worse. For Hedra's twisted admiration has no limits, the nightmare has just begun, and there will be a bloody price to pay.
