Subject: Math. Trending at \$73.94. eBay determines this price through a machine learned model of the product's sale prices within the last 90 days.

## **Calculus Early Transcendentals Rogawski for sale | In ...**

The single-variable volume of Rogawski's new text presents this section of the calculus course with solid mathematical precision but with an everyday sensibility that puts the main concepts in clear terms. It is rigorous without being inaccessible and clear without being too informal--it has the perfect balance for instructors and their students.
