LitCharts assigns a color and icon to each theme in Small Island, which you can use to track the themes throughout the work. As black people in societies controlled by white institutions, Hortense and Gilbert 's daily interactions and the possibilities of their lives are framed by racism. While the novel focuses on the Josephs' experience of racial prejudice in England, it also offers glimpses of the way race operates in two other societies: colonial Jamaica and Jim Crow-era America.

Small Island by Andrea Levy: Review | gibberish
In Small Island, Andrea Levy weaves four people's stories (and four plots) into one cohesive narrative. Levy separates the book between past and present times, reflecting and acting, oscillating between the two. Then, she divides the narrative into four smaller narratives, having sections written from a particular character's perspective.

Literary Analysis - Andrea Levy's Small Island
Small Island Andrea Levy. A thought provoking book. Time to feel ashamed of the way in which West Indians who fought in the British army in World War II were treated back in the UK before the Race Relations Act! I became totally absorbed in the lives of the characters. A worthy prize winner.

Returning to England after the war Gilbert Joseph is treated very differently now that he is no longer in an RAF uniform. Joined by his wife Hortense, he rekindles a friendship with Queenie who takes in Jamaican lodgers. Can their dreams of a better life in England overcome the prejudice they face?

Small Island is an international bestseller. It won the Orange Prize for Fiction, The Orange Prize for Fiction: Best of the Best, The Whitbread Novel Award, The Whitbread Book of the Year Award, and the Commonwealth Writers' Prize. It has now been adapted for the screen as a coproduction of the BBC and Masterpiece/WGBH Boston. Hortense Joseph arrives in London from Jamaica in 1948 with her life in her suitcase, her heart broken, her resolve intact. Her husband, Gilbert Joseph, returns from the war expecting to be received as a hero, but finds his status as a black man in Britain to be second class. His white landlady, Queenie, raised as a farmer's daughter, befriends Gilbert, and later Hortense, with innocence and courage, until the unexpected arrival of her husband, Bernard, who returns from combat with issues of his own to resolve. Told in these four voices, Small Island is a courageous novel of tender emotion and sparkling wit, of crossings taken and passages lost, of shattering compassion and of reckless optimism in the face of insurmountable barriers---in short, an encapsulation of that most American of experiences: the immigrant's life.

A stage adaptation of Andrea Levy's epic novel Small Island, which journeys from Jamaica to Britain in 1948.

THE AUTHOR OF SMALL ISLAND TELLS THE STORY OF THE LAST TURBULENT YEARS OF SLAVERY AND THE EARLY YEARS OF FREEDOM IN NINETEENTH-CENTURY JAMAICA
Small Island introduced Andrea Levy to America and was acclaimed as "a triumph" (San Francisco Chronicle). It won both the Orange Prize and the Whitbread Book of the Year Award, and has sold over a million copies worldwide. With The Long Song, Levy once again reinvents the historical novel. Told in the irresistibly willful and intimate voice of Miss July, with some editorial assistance from her son, Thomas, The Long Song is at once defiant, funny, and shocking. The child of a field slave on the Amity sugar plantation, July lives with her mother until Mrs. Caroline Mortimer, a recently transplanted English widow, decides to move her into the great house and rename her "Marguerite." Resourceful and mischievous, July soon becomes indispensable to her mistress. Together they live through the bloody Baptist war, followed by the violent and chaotic end of slavery. Taught to read and write so that she can help her mistress run the business, July remains bound to the plantation despite her "freedom." It is the arrival of a young English overseer, Robert Goodwin, that will dramatically change life in the great house for both July and her mistress. Prompted and provoked by her son's persistent questioning, July's resilience and heartbreak are gradually revealed in this extraordinarily powerful story of slavery, revolution, freedom, and love.

From Andrea Levy, author of Small Island and winner of the Whitbread Book of the Year and the Best of the Best Orange Prize, comes a story of one woman and two islands. Faith Jackson knows little about her parents' lives before they moved to England. Happy to be starting her first job in the costume department at BBC television, and to be sharing a house with friends, Faith is full of hope and expectation. But when her parents announce that they are moving "home" to Jamaica, Faith's fragile sense of her identity is threatened. Angry and perplexed as to why her parents would move to a country they so rarely mention, Faith becomes increasingly aware of the covert and public racism of her daily life, at home and at work. At her parents' suggestion, in the hope it will help her to understand where she comes from, Faith goes to Jamaica for the first time. There she meets her Aunt Coral, whose storytelling provides Faith with ancestors, whose lives reach from Cuba and Panama to Harlem and Scotland. Branch by branch, story by story, Faith scales the family tree, and discovers her own vibrant heritage, which is far richer and wilder than she could have imagined. Fruit of the Lemon spans countries and centuries, exploring questions of race and identity with humor and a freshness, and confirms Andrea Levy as one of our most exciting contemporary novelists.

This book has been written for students and teachers embarking on CIE's AS & A Level Literature in English (9695) Paper 3 Section B, which will be examined in 2020.The idea behind this guide is to mostly point students and teachers towards language techniques used by the writer, which covers a lot of what is wanted by examiners in Assessment Objective 2 (AO2) and how form, structure and language shape meanings. The simple comprehension tasks and the higher-level questioning should ensure that all students are reading actively, while working primarily on the AO that many find the most challenging.

Seminar paper from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 2,00, University of Göttingen (Seminar für englische Philologie), course: Multiethnic Britain, language: English, abstract: 1. Introduction 1.1. Brief introduction to home and belonging as a general idea Home has a significant function in our lives. Thinking of home we associate notions like shelter and comfort and when we come home we want to feel safe and welcome. John McLeod argues in this sense that 'to be 'at home' is to occupy a location where we are welcome, where we can be with people very much like ourselves.' We are looking for who we are, where we come from and try to find our place in life. When one is born in a country but moves to another where is one's home country then? This question is hard to answer, because migration is always a process which implies a struggle of identities. When the 2nd generation is born in the host country- where do they belong if the host country does not accept them as full members? The term home is highly complicated in a complex and multicultural world like ours. 1.2. Procedure and approach of my analyses I have centered my term paper on an attempt to identify and characterize the concepts of home and belonging in postcolonial literature. Comparing how the idea of home and belonging is presented in the novels White Teeth by Zadie Smith and Small Island by Andrea Levy, I have tried a text- extrinsic approach. Furthermore, I have analysed the authors' intentions with regard to the time of publication and the time of the narrative. However, the main aspect of my analyses is which concepts of home and belonging exist and which of them can be found in the novels of my comparison. I have chosen White Teeth because it is a novel that deals with the colonial past and the postcolonial present and I have selected Small Island because it is a novel that deals with migrat'
