A novel of love in all its forms: for the land, for family, and the once-in-a-lifetime kind that catches two people when they least expect it Emmy is a shy, sheltered sixteen-year-old when her mom, Kate, sends her to eastern Washington to an aunt and uncle she never knew she had. Fifteen years earlier, Kate had abandoned her sister, Beth, when she fled her painful past and their fundamentalist church. And now, Beth believes Emmy's participation in a faith healing is her last hope for having a child. Emmy goes reluctantly, but before long she knows she has come home. She feels tied to the rugged landscape of coulees and scablands. And she meets Reuben, the Native American boy next door. In a part of the country where the age-old tensions of cowboys versus Indians still play out, theirs is the kind of magical, fraught love that can only survive with the passion and resilience of youth. Their story is mirrored by the generation before them, who fears that their mistakes are doomed to repeat themselves in Emmy and Reuben. With Louise Erdrich's sense of place and a love story in the tradition of Water for Elephants, this is an atmospheric family drama in which the question of home is a spiritual one, in which getting over the past is the only hope for the future.

Sent by her fundamentalist mother to help an estranged sister participate in a faith healing ceremony, sheltered 16-year-old Emmy feels instant ties to her sister's eastern Washington home and falls in love with a Native American boy against the apprehensions of her family.

This classic memoir of the First World War is now a major motion picture starring Alicia Vikander and Kit Harington. Includes an afterword by Kate Mosse OBE. In 1914 Vera Brittain was 20, and as war was declared she was preparing to study at Oxford. Four years later her life - and the life of her whole generation - had changed in a way that would have been unimaginable in the tranquil pre-war era. TESTAMENT OF YOUTH, one of the most famous autobiographies of the First World War, is Brittain's account of how she survived those agonising years; how she lost the man she loved; how she nursed the wounded and how she emerged into an altered world. A passionate record of a lost generation, it made Vera Brittain one of the best-loved writers of her time, and has lost none of its power to shock, move and enthral readers since its first publication in 1933.

Named an Indie Next Pick, Library Reads Pick, Apple Books' Best Book, Powell's Pick, Amazon Fiction & Literature's "Best of the Month," and one of Oprah Daily's Best Historical Novels of 2021 "Funny, eerie, tender, haunting and unsettling, smokily atmospheric, and fantastically enjoyable." —Helen MacDonald, author of Vesper Flights London, 1893: high up in a house on a dark, snowy night, a lone seamstress stands by a window. So begins the swirling, serpentine world of Paraic O'Donnell's Victorian-inspired mystery, the story of a city cloaked in shadow, but burning with questions: why does the seamstress jump from the window? Why is a cryptic message stitched into her skin? And how is she connected to a rash of missing girls, all of whom seem to have disappeared under similar circumstances? On the case is Inspector Cutter, a detective as sharp and committed to his work as he is wryly hilarious. Gideon Bliss, a Cambridge dropout in love with one of the missing girls, stumbles into a role as Cutter's sidekick. And clever young journalist Octavia Hillingdon sees the case as a chance to tell a story that matters—despite her employer's preference that she stick to a women's society column. As Inspector Cutter peels back the mystery layer by layer, he leads them all, at last, to the secrets that lie hidden at the house on Vesper Sands. By turns smart, surprising, and impossible to put down, The House on Vesper Sands offers a glimpse into the strange undertow of late nineteenth-century London and the secrets we all hold inside us.

Perfect for fans of the NYT bestseller Sold on a Monday, this Southern historical novel based on the true story of a boy's mysterious disappearance examines despair, loyalty, and the nature of truth. In 1913, on a summer's day at Half Moon Lake, Louisiana, four-year-old Sonny Davenport walks into the woods and never returns. The boy's mysterious disappearance from the family's lake house makes front-page news in their home town of Opelousas. John Henry and Mary Davenport are wealthy and influential, and will do anything to find their son. For two years, the Davenports search across the South, offer increasingly large rewards and struggle not to give in to despair. Then, at the moment when all hope seems lost, the boy is found in the company of a tramp. But is he truly Sonny Davenport? The circumstances of his discovery raise more questions than answers. And when Grace Mill, an unwed farm worker, travels from Alabama to lay claim to the child, newspapers, townfolk, even the Davenports' own friends, take sides. As the tramp's kidnapping trial begins, and two desperate mothers fight for ownership of the boy, the people of Opelousas discover that truth is more complicated than they'd ever dreamed.

"In The Third Daughter, Talia Carner ably illuminates a little-known piece of history: the sex trafficking of young women from Russia to South America in the late 19th century. Thoroughly researched and vividly rendered, this is an important and unforgettable story of exploitation and empowerment that will leave you both shaken and inspired." —Pam Jenoff, New York Times bestselling author of The Lost Girls of Paris The turn of the 20th century finds fourteen-year-old Batya in the Russian countryside, fleeing with her family endless pogroms. Desperate, her father leaps at the opportunity to marry Batya to a worldly, wealthy stranger who can guarantee his daughter an easy life and passage to America. Feeling like a princess in a fairytale, Batya leaves her old life behind as she is whisked away to a new world. But soon she discovers that she's entered a waking nightmare. Her new "husband" does indeed bring her to America: Buenos Aires, a vibrant, growing city in which prostitution is not only legal but deeply embedded in the culture. And now Batya is one of thousands of women tricked and sold into a brothel. As the years pass, Batya forms deep bonds with her "sisters" in the house as well as some men who are both kind and cruel. Through it all, she holds onto one dream: to bring her family to America, where they will be safe from the anti-Semitism that plagues Russia. Just as Batya is becoming a known tango dancer, she gets an unexpected but dangerous opportunity—to help bring down the criminal network that has enslaved so many young women and has been instrumental in developing Buenos Aires into a major metropolis. A powerful story of finding courage in the face of danger, and hope in the face of despair, The Third Daughter brings to life a dark period of Jewish history and gives a voice to victims whose truth deserves to finally be told.
