Love it or hate it, we are all teachers. Whether walking clients through a new program, guiding an audience through a novel proposition, or helping our children to kick a soccer ball, nearly every day we work to disseminate knowledge and wisdom to others. The problem is that very few of us have ever been taught how to teach! Drawing on Jared Cooney Horvath's nearly 15 years of experience conducting brain research at prominent universities, teaching students from 10 to 80 years of age, and working closely with organizations and schools across 4 continents, Stop Talking, Start Influencing outlines 12 scientific principles of how people learn. The result is a book that shows readers how to impart their knowledge to others in a manner that sticks with and truly influences them – regardless of the situation or circumstance. For every business leader sick of repeating themselves ad nauseum to colleagues and clients, for every coach tired of endlessly drilling athletes without seeing meaningful improvement, for every entrepreneur who's had enough of pouring their heart into presentations only to see no lasting impact among the audience – it's time to stop talking and start influencing!

Here is the story of Jerry Weintraub: the self-made, Brooklyn-born, Bronx-raised impresario, Hollywood producer, legendary deal maker, and friend of politicians and stars. No matter where nature has placed him--the club rooms of Brooklyn, the Mafia dives of New York's Lower East Side, the wilds of Alaska, or the hills of Hollywood--he has found a way to put on a show and sell tickets at the door. "All life was a theater and I wanted to put it up on a stage," he writes. "I wanted to set the world under a marquee that read: 'Jerry Weintraub Presents.'" In WHEN I STOP TALKING, YOU'LL KNOW I'M DEAD, we follow Weintraub from his first great success at age twenty-six with Elvis Presley, whom he took on the road with the help of Colonel Tom Parker; to the immortal days from the poker tables of Palm Springs; to his crowning hits as a movie producer, starting with Robert Altman and Nashville, continuing with Oh, God!, The Karate Kid movies, and Diner, among others, and summiting with Steven Soderbergh and Ocean's Eleven, Twelve, and Thirteen. Along the way, we'll watch as Jerry moves from the poker tables of Palm Springs (the games went on for days), to the power rooms of Hollywood, to the halls of the White House, to Red Square in Moscow and the Great Palace in Beijing--all the while counseling potentates, poets, and kings, with clients and confidants like George Clooney, Bruce Willis, George H. W. Bush, Armand Hammer, Brad Pitt, Matt Damon, Bob Dylan, Led Zeppelin, John Denver, Bobby Fischer . . .well, the list goes on forever. And of course, the story is not yet over . . . as the old-timers say, "The best is yet to come." As Weintraub says, "When I stop talking, you'll know I'm dead." With wit, wisdom, and the cool confidence that has colored his remarkable career, Jerry chronicles a quintessentially American journey, one marked by luck, love, and improvisation. The stories he tells and the lessons we learn are essential, not just for those who love movies and music, but for businessmen, entrepreneurs, artists . . . everyone.

PLAY DUMB. BE BORING. DON'T SOLVE PROBLEMS. AND ABOVE ALL, DON'T BE YOURSELF. Not exactly what you'd expect to hear from a communication expert, but these counterintuitive strategies are precisely what we need to interact productively and meaningfully in today's digital world. Our overreliance on quick, cheap, and easy means of "staying connected" is eroding our communication skills. Speed steamsrolls thoughtfulness; self-expression trumps restraint. Errors and misunderstandings increase. And our relationships suffer. With startling insights and a dash of humor, Stop Talking, Start Communicating combines scientific research with real-world strategies to deliver a proven approach to more effective communication. "Only Geoffrey Tumlín could write a book about a serious problem--our mounting communication deficiencies--and make me laugh and learn all the way through it. Witty, smart, and 100 percent accurate, Stop Talking, Start Communicating points the way to a better conversational future." - Tina Morris, managing director at Standard & Poor's "An elegantly analytical, accessible, and enjoyable guide to improving interpersonal communication, Stop Talking, Start Communicating is a key resource for anyone who wants to be a difference-making leader, manager, or team member." -- Eduardo Sanchez, deputy chief medical officer of the American Heart Association
