The Story of the Daughters of Quchan: Gender and National ...

Quchan (Persian: **قوچان** Qučān pronounced [quɒtʰɒn, ɒtʰɒn]; also Romanized as Qūchān and Quçan; also known as Gochan) is a city and capital of Quchan County, in Razavi Khorasan Province, Iran. It is located due south of the border city of Ashgabat. At the 2006 census, its population was 96,953, in 25,066 families.

Quchan - Wikipedia

The Daughters of Quchan is the story about the corrupt Iranian government in 1905. This story is an example of one of the many unjust acts by both the provincial governments and the national Qajar...
