The day that you gave your life to Christ, you received a priceless gift. This gift is immediately available the moment you receive Christ as your personal savior. When people give gifts, they give gifts that are representative of themselves. God provided this awesome gift because He wants you to realize He is an awesome God. You should expect supernatural experiences when you are in relationship with a supernatural God. This gift must be opened and used. It takes faith to use this gift. As you begin to use this gift, you will appear strange to some and unrealistic to others. Yes, some have missed great opportunities because they were afraid or didn't know how to use the gift. Some have lived defeated lives because they did not know that the use of the gift would cause them to be victorious. Your mind can convince you that the gift only works in certain situations. Some have used the gift for a few days and decided it does not work; not realizing that this gift is extremely effective in both the spiritual and earthly realm; not realizing that the gift begins to work the moment it is put to use. As you open your gift, I hope you will not be too quick to give up on the gift. Its value is beyond comprehension. Its power is not easily articulated because you don't always know how much is being changed and resolved through the use of this gift. Read on to discover the peace, joy, and miracles that were experienced by those who believed in the power of the Awesome Gift. Belief combined with application brings about supernatural results.

Leading the mission alongside Phoebe Kruger, the new hire at the prestigious law firm where Dunn is a longtime client, Dunn will embark on a race against time while simultaneously dealing with an equally pressing danger -- he's being hunted by the mob for a job gone bust. In the midst of all this, Phoebe gets sucked deeper and deeper into Dunn's clandestine world, and Dunn faces some surprises of his own as he slowly becomes aware of Phoebe's sharp intelligence, keen sense of humor and generous heart--things he's been missing all his life"--
