A tale of acceptance from the bestselling author of *The Boy in the Striped Pajamas*. Barnaby Brocket is an ordinary eight-year-old boy in most ways, but he was born different in one important way: he floats. Unlike everyone else, Barnaby does not obey the law of

Download Free Terrible Thing Happened Margaret Holmes

gravity. His parents, who have a fear of being noticed, want desperately for Barnaby to be normal, but he can't help who he is. And when the unthinkable happens, Barnaby finds himself on a journey that takes him all over the world. Drifting from Brazil to New York, from Canada to Ireland, and even to space, the floating boy meets all sorts of different people--and discovers who he really is along the way. This whimsical novel will delight middle-graders, while readers of all ages will find themselves questioning what it means to be "normal."

Allison Edwards, author of the best-selling book *Why Smart Kids Worry*, gives a glimpse into the ways worry whispers to young minds, and offers a powerful tool all children can use to silence those fears. "Worry's songs tie my tummy up in knots, and the

Margaret Holmes

things he says make my heart beat very fast. Sometimes he speaks in a whisper, and other times his voice gets so loud I can't hear anything else." Worry and anxiety are currently the top mental health issues among children and teens. Children have a number of worries throughout childhood that will come and go. The problem is not with the worries themselves, but that children believe the worries to be true. With a relatable story and beautiful artwork, *Worry Says What?* will help children (and adults) flip their thinking when anxious thoughts begin and turn them into powerful reminders of all they are capable of accomplishing.

This title discusses, in simple terms, sexual and physical abuse, explains why adults may become abusive, and encourages children to report such abuse to a trusting adult.

Sam saw something awful and scary! Ms. Carol, a special therapist, will show Sam how to feel better. Children can help Sam feel better too by using drawings, play, and storytelling activities. They will be able to identify and manage their own feelings and difficulties in their lives following a traumatic event, crisis, or grief. Therapists' Acclaim for "Sam Feels Better Now" "This beautiful little picture book is the ideal guide for a series of therapy sessions that will focus the child's attention on positives and help to deal with the traumatic memories" -- Bob Rich, PhD., AnxietyAndDepression-help.com ""Sam Feels Better Now"" provides the child and therapist a safe metaphor for exploring trauma issues. The story teaches children that coming to therapy can be a good thing." --JoAnna White, Ed.D., Professor and Chair Department of Counseling and

Margaret Holmes

With vibrant, TV-cartoon-like illustrations and simple, direct text appropriate for even the youngest children, this picture book explores the complexity and vitality of anger, and when it is appropriately expressed and when it is not. True emotional intelligence is something recognized and respected but rarely taught and discussed, even among adults. The goal of this worthy project is to engage children in a safe, non-threatening exploration of complicated, often-frightening feelings. Federico lets kids know that anger is normal, though managing its expression can be complicated. Clear language and child-friendly art invite a direct, straightforward examination of when anger is appropriate and how to safely express it through art, physical activity, tears. What 's not OK is hitting, biting, throwing and hurting. The book gently and clearly reminds its vulnerable audience that adults can find the

Download Free Terrible Thing Happened Margaret Holmes

journey just as tricky as children do. If an adult hurts a child or someone they love, Federico instructs her young readers that telling a trusted adult is a safe and right action for them to take. Needless to say, this is complex emotional territory, and Federico ' s tone is perfect: even, loving, simple, clear. Educators and caregivers may well find this a helpful tool in eliciting important conversations, and the book includes contact information for The National Domestic Violence Hotline and other respected sources of support.
