Consultant Services Manual

Not so many, however, know about the missing links - Manual S and Manual T. If you want a properly designed HVAC system, you have to go through the whole process in all four protocols: J, S, T, and D. (It's easy to remember the order. As a friend of mine says, first J, then STD.) Here then is a brief description of each manual. Manual J

HVAC Design Done Right - Manual J, S, T, & D

commission, the Consultant is required to execute the work in accordance with this manual and with such supplementary instructions as the Department may issue from time to time. In cases where a special agreement is entered into, this will state any variations in procedure, which may be required.

CIVIL ENGINEERING MANUAL - Department of Public Works
