This series (along with the  
sequel, "Eyes on the Prize  
II") is a classic  
documentary that, in many  
ways, pointed to the  
techniques later adapted by  
Ken Burns in his  
documentaries. Given the  
availability of film and  
first-person accounts, as  
well as photos, this is a  
far more moving and  
affecting film.
