and effective, Kelly's plan can be applied to any type of account, including 401(k)s--and requires only fifteen minutes of strategizing per quarter. No stress. No noise. No confusion. By targeting three percent growth and adjusting holdings to meet that goal, even novice investors can level the financial playing field and ensure a secure retirement free from the stress of noisy advice that doesn't work. The plan's simple technique cuts through the folly of human emotion by reacting intelligently to price changes and automatically buying low and selling high. Relayed in the same easy-to-understand language that has made The Neatest Little Guide to Stock Market Investing such a staple in the investing community, The 3% Signal is sure to become your most trusted guide to investing success.

A hard-hitting look at achieving financial freedom by avoiding excessive borrowing and spending If you don't actively resist America's culture of debt, you'll end up precisely where the government, banks, and big business want you to be: indentured servitude. The mistakes people make with their money are basic, and avoidable, and unless you understand what they are, you're probably going to repeat them. What you need is someone who can shed light on the obstacles we face and show you how to avoid getting tripped up by them. Financially Stupid People Are Everywhere shows how society is rigged to take as much of your wealth as possible, and simple ways you can resist. It investigates, explains, and offers advice for all those who have fallen into debt, taken a second mortgage, been trapped by credit cards, or found themselves unable to get ahead. Discusses what you can do to stop the destructive cycle of borrowing and spending
