The Raw Shark Texts is the debut novel by author Steven Hall, released in 2007. The book was released by Canongate Books in the US and the UK and published by HarperCollins in Canada. The title is a play on "Rorschach Tests", which are inkblot tests. The novel is a work of Meta-fiction which uses Concrete poetry, linguistic jokes and cultural references. It is the story of an amnesiac re-discovering his past life through a surreal collection of clues he has left himself while evading a steampunk

The Raw Shark Texts - Wikipedia

A thrillingly original novel published in thirty-three countries to worldwide acclaim, The New York Times Magazine called The Raw Shark Texts a genre-founding work of fiction. Eric Sanderson wakes up in a house he doesn't recognize, unable to remember anything of his life.

The Raw Shark Texts: A Novel by Steven Hall. Paperback ...

It's a twisting, trippy thriller that tears through the landscape of language, revealing the lurking terrors uncovered in every letter of the written word. Steven Hall swims in the same surreal waters as pop-culture pioneers David Lynch and Michel Gondry, and The Raw Shark Texts deserves to be shelved somewhere between Trainspotting and Life of Pi. It pulls you under like a riptide, leaving you exhausted, exhilarated, and gasping for air.
