The only unit belonging to the European Traders is the Black Ship, the most powerful naval unit in the game. This ship appears by itself and sails along the western and northern coasts of the map. If the Black Ship is captured by a clan, the European Traders will not send another one unless the initial ship gets sunk.

In The Hidden Family, Miriam correctly hypothesizes that the Clan civil war that took place around the time she was born was caused and intensified by a third party – a distant branch of the Clan that, while weaker, was unknown and had access to a different world. They were thus able to perform attacks that seemed as if they must come from a rival world-walker within the Clan, but actually came from the Hidden Family.
