A fake engagement and plenty of charm keep the pages turning in this delightful Regency romance which the USA Today bestselling author Julia Quinn hails as "terrific." "I have come to ask you to kill me, my lord." Miss Abigail Abbott desperately needs to disappear—permanently—and the only person she trusts to help her do that is Lord Stephen Wentworth, heir to the Duke of Walden. Stephen is brilliant, charming, and—when he needs to be—absolutely ruthless. So ruthless that he proposes marriage instead of "murder" to keep Abigail safe. Stephen was smitten the instant his sister introduced him to Abigail, a woman with the dignity and determination of a duchess and the courage of a lioness. When she accepts his courtship of convenience, he also discovers she kisses like his most intimate wish come true. For Abigail, their arrangement is a sham to escape her dangerous enemies. For Stephen, it’s his one chance to share a lifetime with the lady of his dreams—if only he can convince her his love is real.

Three days. What could go wrong? She is not like the others... Charlene Beckett, the unacknowledged daughter of an earl and a courtesan, has just been offered a life-altering fortune to pose as her half-sister, Lady Dorothea, and win the duke's proposal. All she must do is: \* Be the perfect English rose [Ha!] \* Breathe, smile, and curtsy in impossibly tight gowns [blast Lady Dorothea’s sylph-like figure] \* Charm and seduce a wild duke [without appearing to try] \* Keep said duke far, far from her heart [no matter how tempting] When secrets are revealed and passion overwhelms, James must decide if the last lady he should want is really everything he needs. And Charlene must decide if the promise of a new life is worth risking everything . . . including her heart.
