Friday was Daffodil Day here in Australia. As a family, we too have been touched by the condition and recently lost a much-loved relative. This, the last weekend of the Australian winter, was the official fund-raiser for the Cancer Council, so I thought I should go out and find a daffodil that was not affected by last week's frosts.

A stunning guide to growing, harvesting, and arranging gorgeous dahlia blooms from celebrated farmer-florist and New York Times bestselling author Erin Benzakein, founder of Floret Flower Farm. World-renowned flower farmer and floral designer Erin Benzakein reveals all the secrets to growing, cultivating, and arranging gorgeous dahlias. These coveted floral treasures come in a dazzling range of colors, sizes, and forms, with enough variety for virtually every garden space and personal preference, making them one of the most beloved flowers for arrangements. In these pages, readers will discover: • Expert advice for planting, harvesting, and arranging garden-fresh dahlias • A simple-to-follow overview of the dahlia classification system • An A–Z guide with photos and descriptions of more than 350 varieties • Step-by-step how-to's for designing show-stopping dahlia bouquets that elevate any occasion Expert Author: Erin Benzakein's gorgeous flowers are celebrated throughout the world. Her book Floret Farm's A Year in Flowers was a New York Times bestseller and her first book, Floret Farm's Cut Flower Garden, won the American Horticultural Society Book Award. Filled with Wisdom: Overflowing with hundreds of lush photographs and invaluable advice, DISCOVERING DAHLIAS is an essential resource for gardeners and a must-have for anyone who loves flowers, including flower lovers, avid and novice gardeners, floral designers, florists, small farmers, stylists, and designers.

For the past four decades Frank Kermode, critic and writer, has steadily established himself as one of the most brilliant minds of his generation. Questioning the public's harsh perception of 'the artist', Kermode at the same time gently pokes fun at artists' own, often inflated, self-image. He identifies what has become one of the defining characteristics of the Romantic tradition - the artist in isolation and the emerging power of the imagination. Back in print after an absence of over a decade, The Romantic Image is quintessential Kermode. Enlightenment has seldom been so enjoyable!

“ I am doomed to remember a boy with a wrecked voice—not because of his voice, or because he was the smallest person I ever knew, or even because he was the instrument of my mother ’ s death, but because he was the reason I believe in God; I am a Christian because of Owen Meany. ” In the summer of 1953, two eleven-year-old boys—best friends—are playing in a Little League baseball game in Gravesend, New Hampshire. One of the boys hits a foul ball that kills the other boy ’ s mother. The boy who hits the ball doesn ’ t believe in accidents; Owen Meany believes he is God ’ s instrument. What happens to Owen, after that 1953 foul ball, is extraordinary and

terrifying.

THE STORY: After the death of his alcoholic father, and his mother's remarriage, young Horace Robedaux remained in Harrison, Texas, clerking in a dry goods store. When his mother invites him to visit her and his teenage sister, Lily, in Houston, Ho

The books in the Florida and the Caribbean Open Books Series demonstrate the University Press of Florida's long history of publishing Latin American and Caribbean studies titles that connect in and through Florida, highlighting the connections between the Sunshine State and its neighboring islands. Books in this series show how early explorers found and settled Florida and the Caribbean. They tell the tales of early pioneers, both foreign and domestic. They examine topics critical to the area such as travel, migration, economic opportunity, and tourism. They look at the growth of Florida and the Caribbean and the attendant pressures on the environment, culture, urban development, and the movement of peoples, both forced and voluntary. The Florida and the Caribbean Open Books Series gathers the rich data available in these architectural, archaeological, cultural, and historical works, as well as the travelogues and naturalists' sketches of the area prior to the twentieth century, making it accessible for scholars and the general public alike. The Florida and the Caribbean Open Books Series is made possible through a grant from the National Endowment for the Humanities and the Andrew W. Mellon Foundation, under the Humanities Open Books program.
