CLONINGER APPROACH TO PERSONALITY. According to Cloninger 's thinking, " personality can be defined as a complex hierarchic system that may be split in two main features, temperament and character " (Cloninger et al., 1993). In other words, according to Cloninger 's theory, which may be defined as a psychosocial theory, personality takes form the interaction between temperament and character: while temperament reflects biological features provided to us at birth and that will lead us to ...
